# Tipton Ultra Jag / Brush Set Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Ultra Jag / Brush Set. This 13piece caliberspecific set is designed for safe and effective cleaning of firearms. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- If you notice any defects, do not use the product and contact the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cleaning brushes and jags.
- Use the appropriate caliber brush and jag for your firearm to avoid damage.
- Do not force the brush or jag into the barrel; if resistance is felt, check for obstructions.
- Always wear safety glasses to protect your eyes from debris when cleaning.
- Handle all cleaning materials with care and follow disposal instructions.
- Store the product in a dry place to prevent rust and damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Tipton Ultra Jag / Brush Set.

### 2. Selecting the Correct Brush:

- Choose the appropriate bore brush for your firearm caliber from the set, which ranges from .17 to .45 caliber.
- Attach the brush to the cleaning rod securely.

### 3. Cleaning the Barrel:

- Insert the bore brush into the barrel from the chamber end, if possible.
- Use a twisting motion to help the brush clean the bore effectively.
- Pull the brush through the barrel completely and remove it.

### 4. Using the Jag:

- Choose the correct jag size for your caliber.
- Attach the jag to the cleaning rod.
- Insert a cleaning patch onto the jag and push it into the barrel.
- Pull the jag and patch through the barrel to clean the inside effectively.

### 5. Final Inspection:

- After cleaning, inspect the barrel to ensure it is free from debris.
- Store the cleaning brushes and jags in the provided durable, hinged box.

## **Disposal Instructions**

- Dispose of used cleaning patches and any other waste materials in accordance with local regulations.
- Do not dispose of cleaning materials in the household waste if they are considered hazardous.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for prioritizing safety while using the Tipton Ultra Jag / Brush Set. Your attention to these guidelines helps ensure a safe and effective cleaning experience.
