# Tipton Solid Brass Jag Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Solid Brass Jag for your cleaning needs. This product is designed specifically for .270 and 7mm caliber firearms. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms and cleaning equipment with care.
- Ensure that your firearm is unloaded before using the cleaning jag.
- Keep the cleaning jag out of reach of children and vulnerable individuals.
- Regularly check for wear and tear on the cleaning jag to ensure its safety and effectiveness.
- Use only the appropriate caliber-specific jag for your firearm to avoid damage.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- Before using the cleaning jag, ensure that it fits securely into the cleaning rod.
- Do not force the jag into the bore; it should fit snugly but not require excessive force.
- When using the jag, maintain a firm grip on the cleaning rod to prevent slipping.
- Always clean your firearm in a well-ventilated area to avoid inhaling harmful substances.
- Avoid using the jag if it shows signs of damage or if the threads are stripped.
- If you experience any unusual resistance while cleaning, stop immediately and inspect the bore and jag.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including patches and cleaning solvent.

### 2. Installation:

- Take the Tipton Solid Brass Jag and ensure it is the correct caliber for your firearm (.270 or 7mm).
- Screw the jag onto the cleaning rod, ensuring it is securely attached. The jag has 832 threads for standard cleaning rods.

### 3. Usage:

- Attach a cleaning patch to the jag.
- Insert the jag into the bore of the firearm, ensuring the pointed tip keeps the patch centered.
- Gently push the jag through the bore, taking care not to force it.
- After cleaning, remove the jag and patch from the bore.

### 4. Post-Cleaning:

- Inspect the jag for any signs of damage or wear after use.
- Store the jag in a safe, dry place away from children.

## Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations.

- Do not dispose of the brass jag in regular household waste. Check with local recycling programs for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the Tipton Solid Brass Jag, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Solid Brass Jag. Always prioritize safety and adhere to local regulations regarding firearm maintenance.
