# Tipton 13 Piece Nylon Bristle Rifle Bore Brush Set Safety Instructions

## Introduction

Thank you for choosing the Tipton 13 Piece Nylon Bristle Rifle Bore Brush Set. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this manual carefully before using the brushes to ensure safe and effective operation.

## General Safety Guidelines

- Always use the brushes in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Keep the brushes out of reach of children and vulnerable individuals to avoid misuse.
- Inspect the brushes before each use for any signs of damage or wear. Do not use damaged brushes.
- Store the brushes in a secure, dry place to prevent damage and ensure longevity.
- Be aware of your surroundings when using the brushes to avoid accidents.

## Specific Safety Precautions for Use

- Use only on firearms that are unloaded and in a safe condition to avoid accidental discharge.
- Wear appropriate eye protection when using the brushes to prevent injury from debris.
- Do not use excessive force when cleaning to avoid damaging the bore or the brushes.
- Ensure that the brushes are compatible with your firearm caliber to prevent ineffective cleaning.
- Avoid using the brushes with abrasive cleaners that could damage the nylon bristles.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the appropriate bore brush.

### 2. Attaching the Brush:

- Select the correct caliber brush from the set.
- Attach the brush to a cleaning rod with an 832 thread or a 540 thread for .17 and .20 caliber brushes.
- Ensure the brush is securely fastened before use.

### 3. Using the Brush:

- Insert the brush into the bore and gently push it through from the chamber to the muzzle.
- Pull the brush back through the bore to remove fouling and debris. Repeat as necessary.
- Clean the brush after use to maintain its effectiveness.

### 4. Storage:

- After use, clean the brushes and return them to the molded storage box.
- Ensure the box is closed securely to keep the brushes organized and protected.

## **Disposal Instructions**

- Dispose of any damaged brushes in accordance with local regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials.
- Check local guidelines for proper disposal methods for cleaning supplies and materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Tipton 13 Piece Nylon Bristle Rifle Bore Brush Set, please refer to the manufacturer's contact information provided on the packaging or visit the official Tipton website for support and assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton rifle bore brushes. Thank you for your attention to safety, and enjoy using your new product!
