

Best Bore Brush, 3 pk - Tipton Best Bore Brush 22 Caliber, 3 pk

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

We believe that the Tipton® Best Bore Brushes are the finest brushes ever offered. They meet or exceed military specifications and are designed to satisfy the shooter who wants the best tools to maintain his or her guns. The core is a single piece of brass wire that passes through the threaded brass coupler, guaranteeing that the core will never separate from the coupler in the barrel. Each brush contains the maximum number of bristles that can be inserted for the caliber. 20% more than standard brushes! Because of their density we recommend that Tipton® Best Bore Brushes only be used with a quality one-piece rod and an appropriate bore guide.

Tipton Best Bore Brush Safety Instructions

Introduction

Thank you for choosing the Tipton Best Bore Brush. This product is designed to help you maintain your firearms effectively and safely. Please read this safety instruction guide carefully to ensure proper use and to avoid any potential hazards.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the brush is compatible with your firearm's caliber.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the brush for any signs of wear or damage before use.
- Use only with a quality onepiece rod and appropriate bore guide.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Injury from improper handling.
 - Damage to the firearm if used incorrectly.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before cleaning.
 - Do not force the brush into the barrel; it should fit snugly but not tightly.
 - Use gentle, consistent pressure while cleaning to prevent damage.
 - Do not use the brush if it shows signs of damage or excessive wear.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded and safe.
- Gather all necessary tools: Tipton Best Bore Brush, onepiece rod, and bore guide.

2. Installation:

- Attach the bore guide to the firearm to protect the chamber and muzzle.
- Connect the Tipton Best Bore Brush to the onepiece rod securely.

3. Usage:

- Insert the brush into the barrel from the chamber end.
- Push the brush through the barrel and pull it back out. Repeat this process 510 times for effective cleaning.
- After cleaning, remove the brush and clean the bore guide and rod.

4. PostUse Care:

- Clean the brush with a suitable solvent and allow it to dry.
- Store the brush in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the Tipton Best Bore Brush responsibly.
- Follow local regulations for the disposal of cleaning supplies and materials.
- If the brush is worn out or damaged beyond use, discard it in a waste bin.

Contact Information for Further Support

For any questions or concerns regarding the Tipton Best Bore Brush, please contact your local retailer or the manufacturer directly. Ensure to check for any updates or recalls on the product through your retailer or relevant safety platforms.

Thank you for following these safety instructions. Your safety and the effective maintenance of your firearms are our top priorities.
