

Best Bore Brush, 3 pk - Best Bore Brush 22 Caliber, 10 pk

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

We believe that the Tipton® Best Bore Brushes are the finest brushes ever offered. They meet or exceed military specifications and are designed to satisfy the shooter who wants the best tools to maintain his or her guns. The core is a single piece of brass wire that passes through the threaded brass coupler, guaranteeing that the core will never separate from the coupler in the barrel. Each brush contains the maximum number of bristles that can be inserted for the caliber. 20% more than standard brushes! Because of their density we recommend that Tipton® Best Bore Brushes only be used with a quality one-piece rod and an appropriate bore guide.

Tipton Best Bore Brush Safety Instructions

Introduction

Thank you for choosing the Tipton Best Bore Brush. We believe that our brushes are among the finest available, designed to meet or exceed military specifications. This guide provides important safety instructions to ensure the safe use of the product and to help you maintain your firearms effectively.

General Safety Guidelines

- Ensure safe use of the Tipton Best Bore Brush by following these guidelines:
 - Always handle firearms with care and treat every gun as if it is loaded.
 - Keep the bore brush out of reach of children and vulnerable individuals.
 - Use the product only for its intended purpose, which is to clean the bore of firearms.
 - Store the brushes in a safe and dry place to avoid damage.
 - Regularly inspect the brushes for wear and damage before use.
 - Do not use the brushes if they show signs of damage, such as frayed bristles or a loose coupler.

Specific Safety Precautions for Use

- Before using the Tipton Best Bore Brush, please note the following precautions:
 - Use only with a quality onepiece rod and an appropriate bore guide.
 - Avoid excessive force when using the brush to prevent damage to the barrel or the brush itself.
 - Do not use the brush on firearms that are not designed for the specified caliber.
 - Wear safety glasses to protect your eyes from debris while cleaning.
 - Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe location.
- Gather your cleaning supplies, including the Tipton Best Bore Brush, a onepiece rod, and a bore guide.

2. Installation:

- Attach the bore brush to the onepiece rod using the threaded brass coupler.
- Ensure that the brush is securely fastened to avoid separation during use.

3. Usage:

- Insert the bore guide into the chamber of the firearm.
- Carefully insert the rod with the attached brush into the barrel.
- Move the brush back and forth smoothly through the barrel to clean it.
- After cleaning, remove the brush and clean the barrel with a patch or cloth.

4. PostUse Care:

- Clean the bore brush with a suitable solvent to remove any residue.
- Store the brush properly to maintain its shape and effectiveness.

Disposal Instructions

- Dispose of the Tipton Best Bore Brush responsibly:
 - If the brush is damaged or worn beyond use, dispose of it in accordance with local waste regulations.
 - Do not throw the brush in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the appropriate contact points available in your region. Always stay informed about product recalls and safety updates via the EU's Safety Gate platform.

By following these safety instructions, you can ensure the effective and safe use of the Tipton Best Bore Brush while maintaining your firearms. Thank you for choosing our product, and we wish you safe and enjoyable shooting experiences.
