

Best Bore Brush, 3 pk - Best Bore Brush 243 / 6mm Caliber, 3 pk

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

We believe that the Tipton® Best Bore Brushes are the finest brushes ever offered. They meet or exceed military specifications and are designed to satisfy the shooter who wants the best tools to maintain his or her guns. The core is a single piece of brass wire that passes through the threaded brass coupler, guaranteeing that the core will never separate from the coupler in the barrel. Each brush contains the maximum number of bristles that can be inserted for the caliber. 20% more than standard brushes! Because of their density we recommend that Tipton® Best Bore Brushes only be used with a quality one-piece rod and an appropriate bore guide.

Tipton Best Bore Brush Safety Instructions

Introduction

Thank you for choosing the Tipton® Best Bore Brushes. These brushes are designed to provide the best maintenance for your firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the Tipton® Best Bore Brushes in accordance with the manufacturer's instructions.
- Ensure that the brushes are used only with a quality onepiece rod and an appropriate bore guide.
- Inspect the brushes before each use for any signs of damage or wear.
- Keep the brushes out of reach of children and vulnerable individuals.
- Store the brushes in a safe, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential injury from improper use of bore brushes.
- Risk of damage to the firearm if used incorrectly.

- **Instructions for Avoiding Hazards:**

- Do not force the brush into the barrel; it should fit snugly but not require excessive force.
- Use a cleaning rod that is compatible with the bore brush to prevent damage.
- Avoid using the brush with excessive pressure, as this can lead to bristle damage or separation.
- Ensure that the brush is clean and free of debris before use.

- **Age Specific Warnings:**

- These brushes are not intended for use by children. Adult supervision is required when used around minors.

Instructions for Installation and Usage

- **Installation:**

1. Attach the bore brush to a compatible cleaning rod.
2. Ensure that the connection is secure.

- **Usage:**

1. Insert the brush into the barrel from the breech end (if applicable).
2. Rotate the brush gently while pushing it through the barrel.
3. Pull the brush back through the barrel to remove debris.
4. Repeat as necessary, but avoid excessive force.
5. Clean the brush after use and store it properly.

Disposal Instructions

- Dispose of damaged or worn brushes responsibly.
- If the brushes are no longer usable, consider recycling materials where possible.
- Follow local regulations for the disposal of cleaning equipment.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Tipton® Best Bore Brushes, please refer to the manufacturer's website or contact a local distributor.

Thank you for prioritizing safety while using the Tipton® Best Bore Brushes. Your attention to these guidelines will help ensure a safe and effective cleaning experience for your firearms.
