

Best Bore Brush, 3 pk - Best Bore Brush 25 / 6.5mm Caliber, 3 pk

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

We believe that the Tipton® Best Bore Brushes are the finest brushes ever offered. They meet or exceed military specifications and are designed to satisfy the shooter who wants the best tools to maintain his or her guns. The core is a single piece of brass wire that passes through the threaded brass coupler, guaranteeing that the core will never separate from the coupler in the barrel. Each brush contains the maximum number of bristles that can be inserted for the caliber. 20% more than standard brushes! Because of their density we recommend that Tipton® Best Bore Brushes only be used with a quality one-piece rod and an appropriate bore guide.

Tipton Best Bore Brush Safety Instruction Guide

Introduction

Thank you for choosing the Tipton® Best Bore Brushes. We are committed to ensuring that you have a safe and enjoyable experience while using our products. This guide provides important safety information, usage instructions, and contact details for further support. Please read this guide carefully before using the product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general guidelines:

- Always read and understand the product instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brush for any damage before each use. Do not use if damaged.
- Ensure that you are using the correct caliber bore brush for your firearm.
- Use the bore brush only with a quality onepiece rod and appropriate bore guide.
- Follow all firearm safety rules when cleaning your gun.

Specific Safety Precautions for Use

When using the Tipton® Best Bore Brushes, please observe the following safety precautions:

- Use the bore brush in a wellventilated area to avoid inhalation of any debris.
- Wear safety glasses to protect your eyes from any splashes or debris.
- Avoid using excessive force when cleaning to prevent damage to the firearm or brush.
- Do not leave the bore brush unattended while in use.
- Store the bore brushes in a dry place, away from moisture and direct sunlight.

Instructions for Installation and Usage

To ensure safe and effective use of the Tipton® Best Bore Brushes, follow these instructions:

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, bore guide, and cleaning solvent.

2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Make sure that the brush is compatible with the caliber of your firearm.

3. Usage:

- Insert the bore guide into the chamber of the firearm to protect the barrel.
- Gently insert the bore brush into the barrel and push it through to the muzzle.
- Pull the brush back through the barrel without twisting to avoid damage.
- Repeat this process as necessary, following the recommendations for your specific caliber.

4. PostCleaning:

- After cleaning, remove the bore brush and clean any remaining debris from the firearm.
- Store the bore brush and cleaning supplies in a safe and dry location.

Disposal Instructions

When it comes time to dispose of the Tipton® Best Bore Brushes, please follow these guidelines:

- Dispose of the bore brushes in accordance with local regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with cleaning solvents.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Tipton® Best Bore Brushes, please consult the product packaging for contact information or visit our official website for further support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
