

# Best Bore Brush, 3 pk - Best Bore Brush 270 / 7mm Caliber, 3 pk

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

We believe that the Tipton® Best Bore Brushes are the finest brushes ever offered. They meet or exceed military specifications and are designed to satisfy the shooter who wants the best tools to maintain his or her guns. The core is a single piece of brass wire that passes through the threaded brass coupler, guaranteeing that the core will never separate from the coupler in the barrel. Each brush contains the maximum number of bristles that can be inserted for the caliber. 20% more than standard brushes! Because of their density we recommend that Tipton® Best Bore Brushes only be used with a quality one-piece rod and an appropriate bore guide.

# Tipton Best Bore Brush Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton® Best Bore Brushes. These brushes are designed to provide exceptional cleaning performance for your firearms. This safety instruction guide is intended to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the instructions carefully before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of wear or damage.
- Use the bore brush only for its intended purpose.
- Store the bore brush in a dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure you are using the correct caliber bore brush (270 / 7mm) for your firearm.
- Always use the bore brush with a quality onepiece rod and an appropriate bore guide to avoid damage.
- Do not force the brush into the barrel; use a smooth and steady motion.
- Avoid using excessive force while cleaning to prevent damage to the bore brush or firearm.
- Wear safety goggles to protect your eyes from debris during cleaning.
- If you experience any discomfort or injury while using the product, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before cleaning.
- Gather all necessary tools, including a quality onepiece rod, bore guide, and the Tipton® Best Bore Brush.

### 2. Installation:

- Attach the bore brush to the onepiece rod by threading it securely into the rod's coupler.
- Ensure that the brush is firmly attached to prevent it from detaching during use.

### 3. Usage:

- Insert the bore guide into the chamber of the firearm to align the rod.
- Slowly and gently push the bore brush into the barrel, ensuring that it is aligned properly.
- Pull the brush back out of the barrel using a smooth motion. Repeat this process as needed.
- Clean the bore brush after use to maintain its effectiveness and prolong its life.

### 4. PostCleaning:

- Inspect the bore brush for any bristle wear or damage.
- Store the bore brush in a protective case or container to prevent damage.

## Disposal Instructions

- Dispose of the bore brush responsibly. If the brush is damaged or worn out, do not throw it in regular household waste.
- Check local regulations for proper disposal methods of cleaning tools and materials.

## Contact Information for Further Support

For safety inquiries or further support regarding the Tipton® Best Bore Brushes, please refer to the product packaging or relevant documentation. Always ensure that you are following the latest safety guidelines and updates.

Thank you for prioritizing safety while using the Tipton® Best Bore Brushes. Enjoy your shooting experience with confidence!
