

## Best Bore Brush, 3 pk - Best Bore Brush 30 / 32 Caliber, 3 pk

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

We believe that the Tipton® Best Bore Brushes are the finest brushes ever offered. They meet or exceed military specifications and are designed to satisfy the shooter who wants the best tools to maintain his or her guns. The core is a single piece of brass wire that passes through the threaded brass coupler, guaranteeing that the core will never separate from the coupler in the barrel. Each brush contains the maximum number of bristles that can be inserted for the caliber. 20% more than standard brushes! Because of their density we recommend that Tipton® Best Bore Brushes only be used with a quality one-piece rod and an appropriate bore guide.

# Tipton Best Bore Brush Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Best Bore Brush. Designed for optimal performance, these brushes are perfect for maintaining your firearms. This guide provides essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is suitable for the specific caliber of your firearm.
- Keep the brushes out of reach of children and vulnerable individuals.
- Inspect the brushes for any damage before use; do not use damaged products.
- Use the brushes only with compatible cleaning rods and bore guides.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about potential recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with a quality onepiece cleaning rod to prevent breakage.
- Ensure the bore guide is appropriate for the caliber being cleaned.
- Avoid excessive force while using the brush to prevent damage to the barrel.
- Do not use the brush if it shows signs of wear or if bristles are missing.
- Store the brushes in a dry place to prevent corrosion.
- Always follow the manufacturer's recommendations for cleaning and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including a cleaning rod, bore guide, and the Tipton Best Bore Brush.

### 2. Installation:

- Attach the bore guide to the firearm's chamber.
- Insert the cleaning rod through the bore guide.
- Screw the Tipton Best Bore Brush onto the end of the cleaning rod securely.

### 3. Usage:

- Gently insert the brush into the barrel, ensuring it is aligned properly.
- Use a smooth, backandforth motion to clean the bore.
- Avoid pushing the brush too hard; let the bristles do the work.
- After cleaning, remove the brush and clean it with a suitable solvent to maintain its effectiveness.

### 4. PostUsage:

- Clean the cleaning rod and bore guide after each use.
- Store the brushes in their original packaging or a safe container.

## **Disposal Instructions**

- Dispose of the Tipton Best Bore Brushes in accordance with local regulations.
- Do not dispose of the brushes in household waste if they are contaminated with hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details, which can usually be found on the product packaging or the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Best Bore Brush. Thank you for prioritizing safety and responsible firearm maintenance.
