Tipton Rifle Nylon Bore Brush Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Rifle Nylon Bore Brush, 3 pk. This product is designed to assist you in maintaining your firearm effectively. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Inspect the bore brushes for damage or wear before each use.
- Use the bore brushes only for their intended purpose—cleaning firearm bores.
- Store the bore brushes in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from debris when cleaning your firearm.
- Ensure that your firearm is unloaded before using the bore brush.
- Do not use excessive force when cleaning; this may damage the bore brush or the firearm.
- Avoid using the bore brushes on firearms that are not compatible with nylon cleaning materials.
- Dispose of any damaged bore brushes immediately to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Tipton Nylon Bore Brush.

2. Using the Bore Brush:

- Attach the bore brush to a cleaning rod according to the manufacturer's instructions.
- Insert the brush into the bore of the firearm gently, ensuring it fits properly.
- Move the brush back and forth in the bore to remove fouling and debris.
- After cleaning, remove the bore brush and inspect it for any damage.

3. PostUse Care:

- Clean the bore brush with a suitable solvent to remove any residue.
- Allow the brush to dry completely before storing it.
- Store the bore brush in a protective case or container to prevent damage.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- If the bore brush is damaged or worn, do not attempt to repair it; discard it safely.
- Ensure that any disposed materials do not pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the Tipton Rifle Nylon Bore Brush, please refer to the manufacturer's website or contact their customer service for assistance.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Tipton Rifle Nylon Bore Brush. Thank you for prioritizing safety in your firearm maintenance practices.
