# Safety Instruction Guide for Tipton Rifle Nylon Bore Brush

## Introduction

Thank you for choosing the Tipton Rifle Nylon Bore Brush. This product is designed to assist you in maintaining the cleanliness and functionality of your firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before cleaning.
- Use the bore brush only for its intended purpose.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for wear or damage before use.
- Dispose of the bore brush properly once it is worn out.

## Specific Safety Precautions for Use

- Do not use the bore brush on a hot barrel.
- Avoid using excessive force when cleaning to prevent damage to the firearm.
- Wear protective eyewear to prevent debris from entering your eyes.
- If using cleaning solvents, ensure proper ventilation to avoid inhaling harmful fumes.
- Store the bore brush in a dry, cool place away from direct sunlight.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including your Tipton Rifle Nylon Bore Brush.

### 2. Using the Bore Brush:

- Attach the bore brush to a cleaning rod according to the manufacturer's instructions.
- Insert the bore brush into the barrel of the firearm gently.
- Rotate the brush while pushing it through the barrel to effectively clean the interior.
- Pull the brush back out of the barrel without twisting to avoid damage.
- Repeat the process as necessary until the barrel is clean.

### 3. PostUse Care:

- Clean the bore brush after each use to remove any debris or cleaning solvent.
- Store the bore brush in its original packaging or a designated storage area.

## Disposal Instructions

- Dispose of the bore brush in accordance with local waste disposal regulations.
- Do not dispose of the bore brush in water bodies or landfills where it could harm the environment.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Tipton Rifle Nylon Bore Brush, please refer to the contact information provided on the packaging.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your Tipton Rifle Nylon Bore Brush. Always prioritize safety when handling firearms and cleaning equipment. Thank you for choosing Tipton for your firearm maintenance needs.
