Tipton Rifle Nylon Bore Brush Safety Instructions

Introduction

Thank you for choosing the Tipton Rifle Nylon Bore Brush. This product is designed to assist you in the cleaning and maintenance of your firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only as intended for firearm cleaning.
- Always handle firearms with care and follow all firearm safety protocols.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Regularly check the bore brush for wear or damage before each use.
- Dispose of any damaged brushes to prevent accidental injury.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before cleaning.
- Use the bore brush in a wellventilated area to avoid inhalation of cleaning materials.
- Wear safety glasses to protect your eyes from debris.
- Do not force the bore brush into the barrel; apply gentle pressure.
- Avoid using excessive force, which may damage the bore brush or the firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including the bore brush, cleaning solvent, and a cleaning rod.

2. Using the Bore Brush

- Attach the bore brush to the cleaning rod securely.
- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's barrel gently.
- Pull the bore brush through the barrel with a smooth, steady motion.
- Repeat this process as needed, typically 23 times for effective cleaning.

3. After Cleaning

- Remove the bore brush from the cleaning rod.
- Clean the bore brush with warm water and mild soap to remove any residue.
- Allow the bore brush to dry completely before storing it.

Disposal Instructions

- Dispose of any damaged or worn bore brushes in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is contaminated with cleaning solvents; check local hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of the Tipton Rifle Nylon Bore Brush, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for more details.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearms. Thank you for your attention to these important safety guidelines.
