# Tipton Rifle Nylon Bore Brush Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Rifle Nylon Bore Brush. This product is designed to assist you in maintaining your firearms effectively. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always inspect the bore brush before use for any signs of damage or wear.
- Keep the bore brush out of reach of children and pets.
- Use the bore brush only for its intended purpose of cleaning firearm barrels.
- Avoid using excessive force when cleaning to prevent damage to the firearm.
- Store the bore brush in a dry place to prevent corrosion or degradation of materials.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Wear protective eyewear to prevent any debris from entering your eyes while cleaning.
- Do not use the bore brush on a hot barrel; allow the firearm to cool down before cleaning.
- Use the bore brush with a cleaning rod or handle specifically designed for firearm cleaning.
- Do not mix cleaning solvents or chemicals unless specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Prepare the Firearm

- Ensure the firearm is unloaded and in a safe position.
- Remove any magazine and check the chamber to confirm it is empty.

### 2. Attach the Bore Brush

- Select the appropriate bore brush for your caliber (30 or 32 Caliber).
- Attach the bore brush to a compatible cleaning rod or handle securely.

### 3. Clean the Bore

- Insert the bore brush into the barrel from the chamber end.
- Use a smooth, steady motion to push the brush through the barrel and pull it back out.
- Repeat this process several times to ensure thorough cleaning.

### 4. Inspect and Clean the Brush

- After use, inspect the bore brush for wear and clean any debris.
- Store the bore brush in a dry and safe location.

## Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not incinerate the bore brush as it may release harmful substances.

- If the bore brush is damaged or worn beyond use, replace it with a new one.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Tipton Rifle Nylon Bore Brush, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Proper maintenance and care of your firearm are essential for safe and effective use.
