# Tipton Nylon Bore Brush Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Nylon Bore Brush. This product is designed to assist you in maintaining the cleanliness and functionality of your firearms. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage precautions, and proper disposal.

## General Safety Guidelines

- Ensure that the Tipton Nylon Bore Brush is used only for its intended purpose: cleaning the bore of firearms.
- Keep the brushes out of reach of children and vulnerable individuals to prevent accidental injury.
- Always inspect the bore brush before use for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.
- In case of any accidents or injuries, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when cleaning firearms.
- Always ensure that the firearm is unloaded before using the nylon bore brush.
- Do not insert the bore brush into the firearm's bore if the firearm is still loaded.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the brush.
- Store the bore brushes in a dry, cool place to prevent deterioration of the nylon bristles.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

### 2. Using the Bore Brush:

- Attach the nylon bore brush to the cleaning rod securely.
- Apply a small amount of cleaning solvent to the brush, if desired.
- Insert the bore brush gently into the firearm's bore.
- Move the brush back and forth in a smooth motion to clean the bore effectively.
- Remove the brush from the bore and clean the brush after use to maintain its effectiveness.

### 3. PostCleaning:

- After cleaning, ensure that the firearm is free of any cleaning solvent or debris.
- Store the bore brush in its original packaging or a suitable container to protect it from damage.

## Disposal Instructions

- Dispose of the Tipton Nylon Bore Brush in accordance with local waste disposal regulations.
- Do not dispose of the bore brush in regular household waste if it is contaminated with cleaning solvents or chemicals. Follow local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Tipton Nylon Bore Brush, please reach out to the designated EU contact point for assistance.

Thank you for prioritizing safety while using the Tipton Nylon Bore Brush. Your attention to these guidelines helps ensure a safe and effective cleaning experience.
