Tipton Nylon Bore Brush Safety Instructions

Introduction

Thank you for choosing the Tipton Nylon Bore Brush, designed for effective cleaning of your firearm. This guide provides essential safety instructions to ensure safe and proper use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read and follow these instructions carefully.

General Safety Guidelines

- Ensure the product is suitable for your firearm caliber (44 Caliber).
- Always handle firearms responsibly and ensure they are unloaded before cleaning.
- Store the brushes in a safe place, out of reach of children and pets.
- Regularly inspect the brushes for damage or wear before use.
- Dispose of any damaged brushes immediately to prevent injury.

Specific Safety Precautions for Use

- Use only on firearms that are compatible with 44 Caliber brushes.
- Avoid using excessive force when cleaning to prevent damage to the bore.
- Do not use the brushes with harsh chemicals or solvents unless specified by the manufacturer.
- Always wear appropriate protective gear, such as gloves and safety glasses, when cleaning firearms.
- Never leave brushes unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and any cleaning solution.

2. Installation:

- Attach the nylon bore brush to the cleaning rod securely.
- Ensure that the attachment is tight to prevent the brush from detaching during use.

3. Usage:

- Insert the bore brush into the firearm's bore gently.
- Move the brush back and forth in the bore to effectively remove fouling and debris.
- Clean the brush after use to maintain its effectiveness.

4. PostCleaning:

- Inspect the bore for any remaining debris.
- Store the bore brush in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn brushes according to local waste disposal regulations.
- Do not throw brushes in regular household waste if they are contaminated with chemicals. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any inquiries regarding product safety, please reach out to your local EU contact point for assistance. You can also check the EU's Safety Gate platform for updates on recalls and safety alerts.

Thank you for your attention to these safety instructions. Your safety and the proper maintenance of your firearm are our top priorities.
