Tipton Nylon Bore Brush Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Nylon Bore Brush, 3 pk. This product is designed to assist you in maintaining your firearms effectively and safely. To ensure your safety and the longevity of your product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the instructions before using the product.
- Keep out of reach of children and vulnerable individuals.
- Inspect the bore brush for any damage before use. Do not use if damaged.
- Use the bore brush only for its intended purpose.
- Store the bore brush in a dry place away from direct sunlight.
- Dispose of the product responsibly when it reaches the end of its life.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning.
- Wear protective eyewear to shield your eyes from debris.
- Use gloves to protect your hands from cleaning solvents.
- Avoid using excessive force when cleaning to prevent damage to the firearm.
- Do not use the bore brush on hot surfaces or immediately after firing the firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including cleaning solvents and patches.

2. Using the Bore Brush

- Attach the nylon bore brush to a cleaning rod.
- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the bore of the firearm gently.
- Move the brush back and forth to clean the bore thoroughly.
- Repeat as necessary, checking the brush for wear.

3. PostCleaning

- After cleaning, remove the brush and clean it with solvent.
- Allow the brush to dry completely before storing.
- Store the bore brush in a safe and dry location.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Tipton Nylon Bore Brush, please refer to the product packaging for details on how to reach the manufacturer.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Nylon Bore Brush. Thank you for your attention to safety!
