# Tipton Bore Mop Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Bore Mop. This product is designed to assist in cleaning and maintaining the bore and chamber of firearms. It is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety information, usage instructions, and contact details for further support.

## General Safety Guidelines

- Always read and understand the instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore mop for any damage before use. Do not use if damaged.
- Ensure that the area is wellventilated when using solvents and lubricants.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Store the bore mop in a dry place away from direct sunlight and heat sources.

## Specific Safety Precautions for Use

- Use only as directed for cleaning bore and chamber of firearms.
- Avoid contact with eyes and skin when using solvents and lubricants.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety glasses.
- Do not ingest any cleaning solvents or lubricants.
- Dispose of used mops and cleaning materials in accordance with local hazardous waste disposal regulations.
- Do not use the bore mop for any purpose other than intended cleaning of firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction before cleaning.
- Gather all necessary cleaning supplies, including the bore mop, solvents, and lubricants.

### 2. Using the Bore Mop:

- Attach the bore mop to a cleaning rod that is suitable for your firearm caliber.
- Apply a suitable solvent to the bore mop. Ensure it is adequately soaked but not dripping.
- Insert the bore mop into the barrel of the firearm gently. Do not force it.
- Pull the mop through the barrel from the chamber end to the muzzle end. Repeat as necessary for thorough cleaning.
- After cleaning, apply a light coat of lubricant to protect the bore.

### 3. PostUse Care:

- Clean the bore mop with warm, soapy water after use and allow it to dry completely.
- Store the bore mop in a cool, dry place.

## Disposal Instructions

- Dispose of used bore mops and cleaning materials according to local regulations.
- Do not dispose of mops in regular household waste if they have been used with hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Tipton Bore Mop, please refer to the manufacturer's contact details provided on the packaging or visit the manufacturer's website.

## **Conclusion**

Following these safety instructions will help ensure that you use the Tipton Bore Mop safely and effectively. Always prioritize safety and adhere to local regulations when cleaning firearms. Thank you for your attention to these guidelines.
