Tipton Bore Mop Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Bore Mop, designed for cleaning and maintaining your firearms. This guide provides essential safety information to ensure the safe use of the product in compliance with EU General Product Safety Regulations (GPSR). Please read this guide carefully before using the bore mop.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm caliber before use.
- Store the bore mop in a dry place, away from direct sunlight and moisture.
- Keep the bore mop out of reach of children and pets.
- Regularly inspect the bore mop for signs of wear or damage. Do not use if damaged.
- Always follow local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Use only in wellventilated areas to avoid inhaling harmful vapors from solvents and lubricants.
- Avoid contact with skin and eyes. If contact occurs, rinse with plenty of water and seek medical attention if irritation persists.
- Do not ingest any cleaning solvents or lubricants. If ingested, seek medical attention immediately.
- Do not use the bore mop with flammable solvents near open flames or heat sources.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore mop.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded and safe to handle.
- Gather all necessary cleaning supplies, including the bore mop, cleaning solvents, and protective gear (gloves, goggles).

2. Using the Bore Mop:

- Attach the bore mop to the cleaning rod or handle according to the manufacturer's instructions.
- Apply an appropriate amount of cleaning solvent to the bore mop.
- Insert the bore mop into the firearm's bore gently. Avoid excessive force.
- Move the bore mop back and forth to effectively clean the bore and chamber.
- Repeat the process as necessary, using a clean mop for each application of solvent.

3. PostUse Care:

- Clean the bore mop according to the manufacturer's recommendations after use.
- Store the bore mop in a safe, dry place.

Disposal Instructions

- Dispose of used bore mops and any cleaning materials according to local regulations for hazardous waste.
- Do not dispose of bore mops in regular household waste if they have been contaminated with solvents or lubricants.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of the Tipton Bore Mop, please refer to the contact information provided on the product packaging or the manufacturer's official website.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your Tipton Bore Mop. Thank you for your attention to safety and responsible firearm maintenance.
