# Tipton Double Ended Cleaning Brush Set Safety Instructions

## Introduction

Thank you for choosing the Tipton Double Ended Cleaning Brush Set. This product is designed to assist you in maintaining the cleanliness of your firearms safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the cleaning brushes are used only for their intended purpose.
- Always store the brushes in a safe place, out of reach of children.
- Inspect the brushes for any damage before each use. Do not use damaged brushes.
- Keep the brushes dry and clean to prevent mold and deterioration.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the small bristles for cleaning tight spaces only. Avoid excessive force that may damage the firearm.
- Use the large bristles for larger items such as bolt carriers and cylinders. Ensure that you apply appropriate pressure to avoid scratching surfaces.
- Do not use the brushes on nonmetal surfaces unless specified.
- Avoid using the brushes near open flames or high heat sources to prevent damage to the nylon and plastic components.
- Always clean the brushes after use to maintain their effectiveness and longevity.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Tipton Double Ended Cleaning Brush Set.

### 2. Using the Brushes:

- For tight spaces:
  - Select the end with small bristles.
  - Insert the brush gently into the tight area and move it back and forth to remove debris.
- For larger items:
  - Choose the end with large bristles.
  - Apply the brush to the surface of the item and use a sweeping motion to clean.
- After cleaning, inspect the area to ensure all residue is removed.

### 3. PostUsage Care:

- Rinse the brushes under warm water to remove any cleaning solution or residue.
- Allow the brushes to air dry completely before storing them.

## Disposal Instructions

- Dispose of the brushes responsibly. If they are damaged beyond use, they should be discarded in accordance with local waste disposal regulations.

- Do not incinerate the brushes as they may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Tipton Double Ended Cleaning Brush Set, please reach out to the designated EU contact point provided by the manufacturer.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and effective cleaning experience with your Tipton Double Ended Cleaning Brush Set.
