

## Silicone Gun Cloth 14" X 15"

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Protect your fine firearms from corrosive fingerprints and the elements. The soft cloth, impregnated with pure silicone, provides the perfect wipe-down for your guns before putting them away. Protects metal surfaces from rust and corrosion at extreme temperatures and leaves a shiny, well-preserved appearance. Will not evaporate or dry out. 14"x15".

# Tipton Silicone Gun Cloth Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Silicone Gun Cloth. This highquality product is designed to protect your firearms from corrosive fingerprints and environmental elements. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the Tipton Silicone Gun Cloth by following these guidelines:
  - Always keep the cloth away from children and pets to prevent accidental ingestion or misuse.
  - Use the cloth only for its intended purpose—cleaning and protecting firearms.
  - Store the cloth in a cool, dry place away from direct sunlight to maintain its effectiveness.
  - Do not use the cloth on food items or for any other unintended applications.

## Specific Safety Precautions for Use

- When using the Tipton Silicone Gun Cloth, please observe the following precautions:
  - Avoid using the cloth on hot surfaces or firearms that have been recently fired, as this may cause burns or damage.
  - Do not wash the cloth in water or expose it to excessive moisture, as this may degrade its silicone properties.
  - If the cloth becomes excessively dirty or contaminated, replace it with a new one instead of attempting to clean it.
  - Keep the cloth away from open flames or high heat sources to prevent fire hazards.

## Instructions for Installation and Usage

- Follow these steps for the safe and effective use of the Tipton Silicone Gun Cloth:
  1. **Preparation:** Ensure that your firearm is unloaded and in a safe condition before using the cloth.
  2. **Wipe Down:** Gently wipe the metal surfaces of your firearm with the silicone cloth, using even pressure to cover all areas.
  3. **Storage:** After use, fold the cloth and store it in a protective case or bag to keep it clean and ready for future use.
  4. **Inspection:** Regularly check the cloth for wear and tear. Replace it if it shows signs of damage or excessive wear.

## Disposal Instructions

- When disposing of the Tipton Silicone Gun Cloth, please consider the following:
  - Dispose of the cloth in accordance with local regulations regarding textile waste.
  - Do not incinerate the cloth, as burning silicone products can release harmful substances.
  - If the cloth is contaminated with hazardous materials, follow appropriate hazardous waste disposal guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Tipton Silicone Gun Cloth, please refer to the manufacturer's contact details provided with the product packaging.

## **Important Note**

- Report any unsafe products or accidents to the relevant authorities in your region.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

By following these safety instructions, you can ensure the longevity of your Tipton Silicone Gun Cloth and the safety of your firearms. Thank you for your attention to these important guidelines.
