# Tipton Universal Gun Maintenance Stand Safety Instructions

## Introduction

Thank you for choosing the Tipton Universal Gun Maintenance Stand. This product is designed to provide a safe and convenient way to maintain your firearms. Please read this safety instruction guide carefully to ensure proper use and to minimize any potential risks.

## General Safety Guidelines

- Always ensure that the gun maintenance stand is used in a safe environment.
- Keep the stand away from children and vulnerable individuals to prevent accidents.
- Regularly inspect the stand for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm maintenance and safety.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the stand is placed on a stable, flat surface before use.
- Do not exceed the weight limit of the stand; it is designed for firearms only.
- Use caution when deploying the legs of the stand; ensure they are fully extended and locked in place.
- Avoid placing any part of your body under the stand when adjusting or deploying it.
- Keep hands and fingers clear of any moving parts during setup and takedown.
- If the stand shows signs of instability or damage, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Unpacking the Stand

- Carefully remove the stand from its packaging.
- Inspect all components to ensure nothing is damaged or missing.

### 2. Setting Up the Stand

- Place the stand on a stable, level surface.
- Deploy the four legs by pulling the oversized levers outward until they lock into place.
- Ensure that all legs are firmly positioned on the ground.

### 3. Using the Stand

- Position your firearm securely on the stand.
- Use the builtin bottle opener as needed, ensuring it is not used for any other purposes.
- Maintain a clear workspace around the stand to avoid accidents.

### 4. Takedown and Storage

- To disassemble, retract the legs by pressing the oversized levers and folding them back.
- Store the stand in a dry place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- If the stand is no longer usable, consider recycling materials where possible.
- Do not dispose of the stand in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product. Ensure you have the model number and relevant details ready for assistance.

By following these safety instructions, you can ensure the safe and effective use of your Tipton Universal Gun Maintenance Stand. Thank you for prioritizing safety in your firearm maintenance practices.
