Wheeler Delta Series Compact Rifle Cleaning Kit

Safety Instructions

Introduction

Thank you for choosing the Wheeler Delta Series Compact Rifle Cleaning Kit. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning kit. Please read this document carefully before using the product.

General Safety Guidelines

- Always keep the cleaning kit out of reach of children and vulnerable individuals.
- Inspect the cleaning kit for any damage or defects before use. Do not use if any components are broken or missing.
- Use the cleaning kit only for its intended purpose: cleaning .22 and .30 caliber rifles.
- Follow all manufacturer instructions and guidelines to ensure safe usage.
- Store the cleaning kit in a cool, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded and the chamber is clear before beginning any cleaning process.
- Wear safety goggles to protect your eyes from cleaning solvents and debris.
- Use cleaning solvents in a wellventilated area to avoid inhalation of fumes.
- Avoid skin contact with cleaning solvents; wear gloves if necessary.
- Do not point the cleaning rod or any cleaning tools at yourself or others.
- Keep all cleaning tools and solvents away from open flames or heat sources.

Instructions for Installation and Usage

1. Preparing Your Workspace

- Choose a clean, flat surface to work on.
- Lay out all components of the cleaning kit for easy access.

2. Cleaning Your Rifle

- Ensure your rifle is unloaded and pointed in a safe direction.
- Assemble the cleaning rod according to the instructions provided in the kit.
- Attach the appropriate cleaning brush or patch holder to the cleaning rod.
- Apply a small amount of cleaning solvent to the brush or patch.
- Insert the cleaning rod into the rifle's barrel from the chamber end, pushing it through to the muzzle.
- Repeat the process until the barrel is clean, using fresh patches or brushes as needed.
- Wipe down the exterior of the rifle with a clean cloth after cleaning.

3. PostCleaning Care

- After cleaning, ensure all components are dry and free from solvent residue.
- Store the cleaning kit in its semirigid, zippered carry case to protect the tools and maintain organization.

Disposal Instructions

- Dispose of used cleaning solvents and patches according to local regulations.
- Do not dispose of cleaning solvents in household waste or down the drain.
- Contact your local waste disposal facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please refer to the contact information provided with your product. Ensure you have your product details ready when reaching out for support.

Thank you for your attention to these safety instructions. Enjoy using your Wheeler Delta Series Compact Rifle Cleaning Kit responsibly and safely!
