

## Delta Series AR-10 Bore Guide

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

The precision CNC machined aluminum, Delta Series AR-10 Bore Guide will help protect the bore and action of your rifle by properly aligning the cleaning rod and reducing solvent overflow. It fits securely in any AR-10 upper and can be retained in place by closing the dust cover on the upper which engages a groove in the guide. The bore guide also has chemical resistant O-rings for retention in uppers without dust covers. A solvent port is conveniently located to the rear of the guide which extends out of the upper making it easily accessible during cleaning.

# Wheeler Delta Series AR10 Bore Guide Safety Instructions

## Introduction

Thank you for choosing the Wheeler Delta Series AR10 Bore Guide. This product is designed to assist you in cleaning your AR10 rifle safely and effectively. Please read the following safety instructions carefully to ensure proper use and maintenance of the Bore Guide.

## General Safety Guidelines

- Always use the Bore Guide in accordance with the manufacturer's instructions.
- Ensure that the rifle is unloaded before using the Bore Guide.
- Keep the Bore Guide out of reach of children and vulnerable individuals.
- Inspect the Bore Guide for any damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only compatible cleaning rods with the Bore Guide to avoid damage.
- Avoid using excessive force when inserting or removing the Bore Guide.
- Ensure that the Bore Guide is securely in place before beginning the cleaning process.
- Avoid contact with solvents and chemicals that may damage the Bore Guide or your rifle.
- Do not attempt to modify or alter the Bore Guide in any way.
- Always wear appropriate personal protective equipment (PPE) such as gloves and goggles when using solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Bore Guide, cleaning rod, and solvent.

### 2. Installation of the Bore Guide:

- Align the Bore Guide with the upper receiver of your AR10.
- Insert the Bore Guide into the upper until it fits snugly.
- If applicable, close the dust cover to engage the groove in the Bore Guide, securing it in place.

### 3. Using the Bore Guide:

- Attach the cleaning rod to the appropriate cleaning brush or patch.
- Insert the cleaning rod through the solvent port located at the rear of the Bore Guide.
- Apply solvent as needed, ensuring minimal overflow.
- Use the cleaning rod to clean the bore, taking care to maintain alignment with the Bore Guide.

### 4. PostUsage:

- Remove the cleaning rod and Bore Guide from the rifle after use.
- Clean the Bore Guide with a suitable solvent to remove any residue.
- Store the Bore Guide in a safe, dry location out of reach of children.

## **Disposal Instructions**

- Dispose of any damaged or worn Bore Guides in accordance with local regulations.
- Recycle materials when possible, following local recycling guidelines.
- Do not dispose of the Bore Guide in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of the Wheeler Delta Series AR10 Bore Guide, please consult the manufacturer's website or customer service for assistance.

By following these safety instructions, you will ensure not only your safety but also the longevity and effectiveness of your Wheeler Delta Series AR10 Bore Guide. Thank you for your attention to these important guidelines.
