Wheeler Precision Micro Screwdriver Set Safety Instructions

Introduction

Thank you for choosing the Wheeler Precision Micro Screwdriver Set. This 58piece set is designed for precision and convenience, featuring an organized carry/storage case. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the screwdriver set for any damage or defects before use.
- Keep the screwdriver set out of reach of children and pets.
- Use the screwdriver set only for its intended purpose.
- Do not use damaged or wornout tools, as they may pose a risk of injury.
- Ensure that the work area is clean and welllit before using the screwdriver set.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when necessary.

Specific Safety Precautions for Use

- Use the correct screwdriver size for the screw you are working with to avoid stripping.
- Do not apply excessive force when using the screwdrivers; if resistance is encountered, reassess the situation.
- Avoid using screwdrivers on live electrical circuits or components; always disconnect power before working.
- Do not use screwdrivers as pry bars or chisels.
- Be mindful of your fingers and other body parts when using the screwdriver to prevent pinching or cuts.

Instructions for Installation and Usage

1. Selecting the Right Screwdriver:

- Choose the appropriate screwdriver head from the set that matches the screw type (e.g., Phillips, flathead).

2. Using the Screwdriver:

- Align the screwdriver head with the screw.
- Apply gentle pressure while turning the screwdriver in a clockwise direction to tighten or counterclockwise to loosen.
- If the screw is stuck, try to wiggle it gently instead of forcing it.

3. Storing the Screwdriver Set:

- After use, clean the screwdrivers to remove any dirt or debris.
- Place the screwdrivers back in the organized carry/storage case to keep them safe and easily accessible.

Disposal Instructions

- Dispose of any damaged or unusable screwdrivers in accordance with local regulations for hazardous waste.
- Recycle the plastic case if possible, following local recycling guidelines.
