# Wheeler Hammer and Punch Set Safety Instructions

## Introduction

Thank you for purchasing the Wheeler Hammer and Punch Set. This tool is designed for driving pins and drifting sights, making it a valuable addition to your gunsmithing bench or shooting range equipment. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the tool before use for any signs of damage or wear.
- Keep the tool out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the tool.
- Store the tool in a safe, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When using the hammer and punches, ensure that your work area is clear of unnecessary clutter.
- Always secure the workpiece to prevent movement during use.
- Use the appropriate punch size for the task; using the wrong size may cause damage or injury.
- Avoid striking the punch at an angle; always strike it directly.
- Do not use excessive force when driving punches; this may lead to tool damage or personal injury.
- If the punch becomes stuck, do not force it out; instead, use a proper removal technique.
- Ensure that your hands are clear of the punch path before striking.

## Instructions for Installation and Usage

### • Preparation:

- Gather all necessary tools and materials before beginning work.
- Ensure your workspace is welllit and organized.

### • Using the Hammer:

- Hold the hammer firmly by the handle.
- Align the brass face of the hammer with the punch you intend to use.
- With a controlled swing, strike the hammer against the punch to drive it into the workpiece.

### • Using the Punches:

- Select the appropriate punch size from the set.
- Insert the punch into the designated hole or area in the workpiece.
- Ensure the punch is perpendicular to the surface to avoid bending or breaking.
- Strike the punch with the hammer until it reaches the desired depth.

### • Storage:

- After use, clean the punches and hammer to remove any debris or residue.
- Place the tools back into the molded plastic storage case to prevent damage and ensure safe

storage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the Wheeler Hammer and Punch Set, please refer to the manufacturer's contact information provided with your purchase.
