# Wheeler Barrel Vise with 3 Oak Bushings Safety Instruction Guide

## Introduction

Thank you for choosing the Wheeler Barrel Vise with 3 Oak Bushings. This product is designed to assist in secure and effective barrel work. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the Wheeler Barrel Vise.
- Always use the product in accordance with its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not attempt to modify the product in any way.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the vise.
- Ensure that the work area is clean and welllit to avoid accidents.
- Do not exceed the recommended weight limit for the vise.
- Use the vise on a stable and secure surface to prevent tipping or movement during use.
- Avoid placing fingers or hands near moving parts of the vise when in operation.
- If you experience any discomfort or pain while using the vise, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a stable, flat surface for installation.
- Securely mount the vise using appropriate fasteners (not included) to prevent movement during use.
- Ensure that the vise is level and stable before proceeding.

### 2. Using the Vise:

- Select the appropriate oak bushing from the set (1", 3/4", or solid block) based on your specific needs.
- Insert the chosen bushing into the vise.
- Adjust the vise to securely hold the barrel or item you are working on.
- Tighten the vise slowly and steadily to avoid damaging the item being held.
- Always check the security of the hold before proceeding with any work.

### 3. PostUse:

- After use, remove the bushing and clean the vise to prevent rust and wear.
- Store the vise in a dry, safe place away from children and pets.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential hazards to the environment or individuals.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of the Wheeler Barrel Vise, please reach out to the manufacturer or your local safety authority. Always ensure you have the latest safety information and updates related to this product.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your Wheeler Barrel Vise and its oak bushings.
