

# Upper Receiver Action Rod AR-15

[Gunsmith Tools](#) > [Rifle Tools](#) > [Barrel Tools](#)

The new Upper Receiver AR-15 Action Rod is a must have tool when building any kind of AR-15. The tool eliminates stress on the upper receiver when installing a barrel and works on all AR-15 barrels with standard barrel extensions. The rod also works on both forged and milled upper receivers, and the design enables you to work on the upper with no need to remove your sights or optics. A simple twist and lock design makes it easy to hold the tool in place when working, and a gas port index rod is included in the design.

# Wheeler Upper Receiver Action Rod AR15 Safety Instructions

## Introduction

Thank you for choosing the Wheeler Upper Receiver Action Rod AR15. This tool is designed to facilitate the assembly of AR15 rifles while ensuring the safety of the user and the integrity of the components involved. Please read this safety instruction guide carefully before using the product to ensure a safe and effective experience.

## General Safety Guidelines

- Always use the Wheeler Upper Receiver Action Rod AR15 in accordance with the provided instructions.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Keep the tool out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when working with firearms.
- Ensure your workspace is clean and free of distractions to maintain focus while using the tool.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury if the tool is not used correctly.
- Potential for damage to the upper receiver or barrel if excessive force is applied.

- **Instructions to Avoid Hazards:**

- Always ensure the firearm is unloaded before beginning any work.
- Do not exceed the recommended torque specifications when using the tool.
- Avoid using the tool in wet or damp conditions to prevent slips and falls.
- Never point the firearm at yourself or others when using the tool.
- Be mindful of your surroundings to prevent accidents.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and free of ammunition.
- Gather all necessary tools and materials for your assembly project.

### 2. Using the Action Rod:

- Insert the Wheeler Upper Receiver Action Rod into the upper receiver.
- Align the rod with the barrel extension.
- Gently twist the rod to lock it into place, ensuring it is secure.
- Proceed with barrel installation, applying only the necessary force.
- Once the barrel is securely in place, carefully remove the action rod by twisting it in the opposite

direction.

### 3. **PostUse:**

- After use, clean the tool with a soft cloth to remove any debris or residue.
- Store the Wheeler Upper Receiver Action Rod in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of the Wheeler Upper Receiver Action Rod AR15 in accordance with local regulations.
- If the tool is damaged beyond repair, consider recycling the materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Wheeler Upper Receiver Action Rod AR15, please refer to the manufacturer's website or customer support resources for assistance.

Thank you for following these safety instructions. Your attention to safety is essential for a successful and enjoyable experience with your Wheeler Upper Receiver Action Rod AR15.
