Caldwell Youth EMAX® PRO Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Youth EMAX® PRO Hot Coral electronic hearing protection. This product is designed to provide highquality sound and comfort, ensuring safe use during shooting activities. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose: electronic hearing protection during shooting activities.
- Always supervise children when using this product.
- Regularly inspect the hearing protection for signs of wear or damage before each use.
- Follow all local laws and regulations related to shooting and hearing protection.
- Do not modify or alter the product in any way, as this may compromise its safety features.

Specific Safety Precautions for Use

- **Hearing Protection:** The EMAX® PRO has a noise reduction rating of 23dB. It is essential to wear these ear muffs correctly to ensure optimal protection.
- **Adjust Volume Carefully:** Use the push button volume controls to adjust sound levels. Avoid setting the volume too high to prevent potential hearing damage.
- **Proper Fit:** Ensure that the ear muffs fit snugly over the ears. A poor fit may reduce effectiveness.
- **Battery Safety:** This product runs on AAA batteries. Always use the specified battery type and remove batteries if the product will not be used for an extended period.
- **Avoid Exposure to Water:** Keep the product dry and avoid exposing it to rain or moisture, as this can damage the electronic components.

Instructions for Installation and Usage

1. Unpacking:

- Carefully remove the EMAX® PRO from its packaging.
- Check for any visible damage or missing parts.

2. Battery Installation:

- Open the battery compartment located on the side of the ear muffs.
- Insert AAA batteries, ensuring correct polarity as indicated in the compartment.
- Close the battery compartment securely.

3. Wearing the Ear Muffs:

- Place the ear muffs over your ears, ensuring they cover the entire ear.
- Adjust the headband for a comfortable fit without excessive pressure.

4. Volume Adjustment:

- Use the push button controls to adjust the volume to a comfortable level.
- Test the sound to ensure clarity and comfort.

5. Usage:

- Wear the ear muffs during shooting activities to protect your hearing.
- Regularly check the fit and comfort during use, adjusting as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove batteries before disposal and recycle them according to local battery recycling programs.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any questions or concerns regarding the Caldwell Youth EMAX® PRO, please refer to the manufacturer's customer service. Ensure that you have your product details ready for a more efficient response.

Thank you for prioritizing your safety and the safety of others while enjoying your shooting activities.
