# Caldwell EMAX® PRO USB Rechargeable Lithium Battery Pack Safety Instructions

## Introduction

Thank you for choosing the Caldwell EMAX® PRO USB Rechargeable Lithium Battery Pack. This guide provides essential safety instructions to ensure the safe and effective use of your battery pack. Please read this document carefully before use to maximize safety and performance.

## General Safety Guidelines

- Always use the battery pack according to the manufacturer's instructions.
- Keep the battery pack away from children and pets.
- Do not expose the battery pack to extreme temperatures, moisture, or direct sunlight.
- Regularly inspect the battery pack for any signs of damage or wear.
- If the battery pack is damaged, discontinue use immediately and contact the manufacturer.
- Dispose of the battery pack properly and in accordance with local regulations.

## Specific Safety Precautions for Use

- Do not attempt to disassemble or repair the battery pack yourself.
- Only use the provided USB charging cable to charge the battery pack.
- Avoid shortcircuiting the battery terminals.
- Do not charge the battery pack near flammable materials.
- If you notice any unusual odor, heat, or leakage from the battery pack, discontinue use immediately.
- Ensure that the battery pack is fully charged before using it with your EMAX® PRO hearing protection.

## Instructions for Installation and Usage

### 1. Charging the Battery Pack

- Connect the provided USB charging cable to the battery pack.
- Plug the other end into a compatible USB power source.
- A full charge will take approximately [insert time] hours, indicated by a [insert indicator type, e.g., LED light] changing color or turning off.

### 2. Using the Battery Pack

- Ensure the battery pack is securely connected to the EMAX® PRO hearing protection.
- Turn on the hearing protection to activate the battery pack.
- The battery pack provides up to 16 hours of usage on a full charge.

### 3. Monitoring Battery Life

- Regularly check the battery level indicator on your hearing protection.
- Recharge the battery pack when the indicator shows low battery.

## Disposal Instructions

- Do not dispose of the battery pack in household waste.
- Follow local regulations for battery disposal.
- Consider taking the battery pack to a designated recycling center for proper disposal.

## **Contact Information for Further Support**

For safety inquiries or to report any issues regarding the Caldwell EMAX® PRO USB Rechargeable Lithium Battery Pack, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

## **Conclusion**

Following these safety instructions will help ensure the safe use of your Caldwell EMAX® PRO USB Rechargeable Lithium Battery Pack. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
