Hooyman Splitting Axe Safety Instructions

Introduction

Thank you for choosing the Hooyman Splitting Axe (28"). This guide provides important safety instructions to ensure safe use and handling of your axe. Please read this document carefully before using the product.

General Safety Guidelines

- Always use the axe in a safe and responsible manner.
- Ensure you are in a clear area free from obstacles and bystanders.
- Wear appropriate safety gear, including gloves and eye protection.
- Inspect the axe before each use for any damage or wear.
- Do not use the axe if it is damaged or if the handle is loose.
- Keep the axe out of reach of children and vulnerable individuals.
- Store the axe in a safe location, ideally in a protective sheath.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always hold the axe with both hands when swinging.
- Ensure your footing is stable and balanced before making a swing.
- Never swing the axe near other people or animals.
- Avoid distractions while using the axe.
- Do not attempt to catch a falling axe.
- Use the axe only for its intended purpose—splitting wood.
- Avoid using the axe in wet or slippery conditions.
- Do not use the axe to pry or hammer objects.
- Be aware of your surroundings and any potential hazards.

Instructions for Installation and Usage

Installation

1. Ensure the axe is properly assembled and the handle is securely attached.
2. If applicable, attach the protective sheath to the axe when storing.

Usage

1. Preparation:

- Choose a stable and flat work surface for splitting wood.
- Ensure there is sufficient space around you.

2. Grip:

- Use the nonslip HGRIP™ handle for a secure hold.
- Position your hands properly on the handle for optimal control.

3. Swinging the Axe:

- Stand with your feet shoulderwidth apart.
- Hold the axe above your head with both hands.
- Swing down in a controlled manner, aiming at the wood.

4. PostUse:

- Clean the axe after use to remove any debris.
- Store the axe in a dry place, using the protective sheath to cover the blade.

Disposal Instructions

- Dispose of the axe responsibly when it is no longer usable.
- Check local regulations for proper disposal methods.
- Avoid throwing the axe in regular waste; consider recycling if possible.
