Hooyman Large Hatchet Safety Instruction Guide

Introduction

Thank you for choosing the Hooyman Large Hatchet (18"). This tool is designed for effective land management and provides a robust and comfortable grip for various tasks. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the hatchet for its intended purpose to avoid accidents.
- Keep the hatchet out of reach of children and vulnerable individuals when not in use.
- Inspect the hatchet before each use for any signs of damage or wear.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, to minimize injury risks.
- Store the hatchet in a safe location, ideally in its protective sheath, when not in use.
- Be aware of your surroundings and ensure there are no people or animals nearby when using the hatchet.

Specific Safety Precautions for Use

- Ensure a firm grip on the HGRIP™ handle to maintain control during use.
- Avoid using the hatchet in wet or slippery conditions to prevent loss of control.
- Do not use the hatchet for prying or as a lever, which may cause damage or injury.
- Always cut away from your body to minimize the risk of accidental injury.
- Do not attempt to catch the hatchet if it slips from your hand.
- Ensure your footing is stable and secure before swinging the hatchet.
- If you are fatigued or distracted, do not use the hatchet until you are focused and alert.

Instructions for Installation and Usage

1. Initial Inspection:

- Check the hatchet for any visible damage, including chips or cracks in the blade and the integrity of the handle.
- Ensure the protective sheath is intact and functioning properly.

2. Using the Hatchet:

- Hold the hatchet firmly by the HGRIP™ handle.
- Position the object you intend to cut securely, ensuring it will not move during use.
- Swing the hatchet in a controlled manner, maintaining focus on your target.
- After use, clean the blade and handle to remove dirt and sap, which can cause corrosion.

3. Storage:

- Always store the hatchet in its protective sheath to prevent accidental cuts and damage to the blade.
- Keep the hatchet in a dry, cool place away from direct sunlight to maintain its condition.

Disposal Instructions

- When the hatchet reaches the end of its usable life or is damaged beyond repair, dispose of it responsibly.

- Check local regulations for disposal of tools and materials, as they may have specific guidelines for hazardous waste.
- If applicable, recycle the metal components of the hatchet to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Hooyman Large Hatchet, please refer to the EU contact point or your local authorities. It is important to stay informed about product recalls and safety updates through the EU Safety Gate platform.

By following these guidelines, you can ensure safe and effective use of your Hooyman Large Hatchet, contributing to a safer environment for yourself and others. Thank you for your commitment to safety.
