Hooyman Pick Mattock (36") Safety Instruction Guide

Introduction

Thank you for choosing the Hooyman Pick Mattock (36"). This tool is designed for various land management tasks, providing durability and performance. To ensure your safety and maximize the effectiveness of your tool, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the tool before use to ensure it is in good condition.
- Use the tool only for its intended purpose as described in this guide.
- Wear appropriate personal protective equipment (PPE), including gloves, safety glasses, and sturdy footwear.
- Keep the work area clear of obstacles and bystanders during use.
- Be aware of your surroundings and avoid using the tool in hazardous conditions, such as wet or unstable ground.
- Do not use the tool if you are tired, distracted, or under the influence of drugs or alcohol.
- Store the tool in a dry place, out of reach of children and pets.

Specific Safety Precautions for Use

- **Handling the Pick Mattock:**
 - Always grip the HGRIP™ handle securely to prevent slipping.
 - Use both hands when swinging the tool to maintain control.
- **Using the Pick:**
 - Use the pick end for breaking and prying only.
 - Stand with your feet shoulderwidth apart and ensure a stable stance before striking.
- **Using the Adze:**
 - Use the adze end for digging and cutting into the ground.
 - Avoid striking hard surfaces that may cause the tool to rebound unexpectedly.
- **Transporting the Tool:**
 - Carry the tool with the head pointed downward and away from your body.
 - Do not run or rush while carrying the tool.

Instructions for Installation and Usage

- **Before Use:**
 - Inspect the tool for any signs of damage, such as cracks or loose parts.
 - Ensure the HGRIP™ handle is securely attached and free of debris.
- **Using the Tool:**
 - Position yourself correctly: Stand with your feet firmly planted and your body balanced.

- Hold the tool with both hands, ensuring a firm grip on the HGRIP™ handle.
- For breaking or prying, swing the pick end downwards with controlled force.
- For digging, use the adze end to cut into the soil with a smooth and steady motion.

- **After Use:**

- Clean the tool to remove dirt and debris.
- Inspect the tool again for any signs of wear or damage.
- Store the tool in a safe place, preferably hanging or in a tool shed.

Disposal Instructions

- Dispose of the tool responsibly when it reaches the end of its life.
- Check local regulations for proper disposal methods for tools made of metal and fiberglass.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For questions or concerns regarding the safety and usage of the Hooyman Pick Mattock, please refer to the contact information provided on the packaging or your purchase receipt. You can also check for product recalls and safety updates on the EU's Safety Gate platform.

By following these safety instructions, you can enjoy the full benefits of your Hooyman Pick Mattock while ensuring your safety and the safety of those around you. Thank you for your attention to these important guidelines.
