BOG Field General StepIn Camera Mount Safety Instructions

Introduction

Thank you for choosing the BOG Field General StepIn Camera Mount. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your camera mount. Please read and follow all instructions carefully.

General Safety Guidelines

- Ensure the camera mount is used only for its intended purpose as described in this manual.
- Always inspect the camera mount before each use for any signs of wear or damage.
- Keep the camera mount out of reach of children and vulnerable individuals to prevent accidents.
- Do not modify or attempt to repair the camera mount; contact customer support for any issues.
- In case of an emergency, report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the ground is stable and free of obstacles before stepping the legs into the ground.
- Use caution when handling the camera and the mount to avoid dropping or damaging equipment.
- Avoid using the camera mount in extreme weather conditions (e.g., high winds, heavy rain) that may affect stability.
- Do not exceed the weight limit of the camera mount as specified by the manufacturer.
- Always secure the camera properly to the mini ball head to prevent it from falling.

Instructions for Installation and Usage

1. Setup the Camera Mount

- Choose a suitable location in an open field for optimal camera coverage.
- Remove any debris or obstacles from the ground where the mount will be placed.
- Step the tapered legs of the mount firmly into the ground to ensure stability.

2. Attach the Camera

- Securely attach your camera to the mini ball head on the mount.
- Ensure that the camera is tightly fastened and that all locking mechanisms are engaged.

3. Positioning the Camera

- Adjust the camera angle as needed to capture the desired field of view.
- Make sure the camera is level and stable before leaving the setup.

4. Monitoring and Maintenance

- Regularly check the camera mount and the camera for stability and functionality.
- Clean the mount and camera as needed to maintain optimal performance.

Disposal Instructions

- Dispose of the camera mount and packaging materials in accordance with local regulations.
- If the product is no longer functional or safe to use, do not throw it in regular waste. Instead, contact local

waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BOG Field General StepIn Camera Mount, please reach out to your local retailer or the manufacturer's customer service. Ensure you have the product details available for assistance.

Thank you for following these safety instructions. Enjoy your experience with the BOG Field General StepIn Camera Mount!
