## Safety Instruction Guide

### Introduction

Thank you for choosing the BOG Blood Moon 22MP Dual Sensor Game Camera. This product is designed to provide you with highquality images and videos of wildlife. To ensure safe usage and optimal performance, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always use the camera in accordance with the manufacturer's instructions.
- Keep the camera out of reach of children and pets to prevent accidental injury or damage.
- Avoid exposing the camera to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- Regularly inspect the camera for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Electrical Safety:**
  - Ensure that all power sources used with the camera are compliant with EU safety standards.
  - Do not attempt to open or repair the camera yourself; contact a qualified technician for repairs.
- **Battery Safety:**
  - Use only the recommended battery type for the camera.
  - Dispose of batteries according to local regulations to prevent environmental harm.
- **Camera Placement:**
  - Install the camera in stable locations to prevent it from falling or being damaged.
  - Avoid placing the camera near water sources to reduce the risk of electric shock or damage.
- **Handling:**
  - Handle the camera with care to avoid dropping or damaging it.
  - Do not touch the lens with your fingers to prevent smudging or scratching.

### Instructions for Installation and Usage

#### 1. Installation:

- Choose a suitable location for the camera, preferably at eye level for optimal performance.
- Use the mounting bracket included in the package to securely attach the camera to a tree or post.
- Ensure that the camera is stable and will not move due to wind or animal activity.

#### 2. Powering On:

- Insert the recommended batteries into the battery compartment, ensuring correct polarity.
- Turn on the camera using the power switch located on the side.

### 3. **Setting Up:**

- Follow the onscreen instructions to set the date, time, and other settings.
- Adjust the camera angle to capture the desired area.

### 4. **Testing:**

- Conduct a test to ensure that the camera is functioning properly and capturing images.
- Review the images to confirm that the settings are correct.

### 5. **Maintenance:**

- Regularly check the camera for dirt or debris and clean the lens with a soft, dry cloth.
- Replace batteries as needed to ensure continuous operation.

## **Disposal Instructions**

- Dispose of the camera and its components in accordance with local regulations.
- Do not dispose of batteries in household waste; use designated battery recycling points.
- If the camera is no longer functional, consider recycling it at an appropriate electronic waste facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the BOG Blood Moon 22MP Dual Sensor Game Camera, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BOG Blood Moon camera. Thank you for your attention to safety and compliance with EU General Product Safety Regulations.
