BOG Heat Seeker 16MP Infrared Game Camera

Safety Instruction Guide

Introduction

Thank you for choosing the BOG Heat Seeker 16MP Infrared Game Camera. This guide provides essential safety instructions to ensure the safe use of your camera. Please read this manual carefully before installation and use to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- Ensure the camera is used in accordance with local laws and regulations regarding wildlife observation and photography.
- Keep the camera out of reach of children and pets to prevent accidental damage or injury.
- Regularly inspect the camera for any signs of damage or wear. Do not use if damaged.
- Avoid exposure to extreme weather conditions. Store the camera in a dry, cool place when not in use.
- Follow all instructions for battery installation and replacement to prevent leaks or damage.
- Dispose of batteries and the camera according to local regulations to minimize environmental impact.

Specific Safety Precautions for Use

- Do not attempt to disassemble or modify the camera, as this may lead to malfunctions or safety hazards.
- Avoid pointing the camera directly at bright light sources, such as the sun, as this may damage the lens and internal components.
- Ensure that the camera is securely mounted to prevent it from falling or being damaged.
- Use only compatible accessories and components as specified by the manufacturer.
- When using the camera in remote areas, be aware of your surroundings and potential wildlife encounters.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location for the camera, ideally at a height of 35 feet above ground level.
- Use the mounting strap provided to secure the camera to a tree or post. Ensure it is firmly attached and stable.
- Adjust the camera angle to capture the desired field of view.

2. Powering the Camera:

- Open the battery compartment located on the back of the camera.
- Insert the recommended batteries as indicated in the compartment.
- Close the compartment securely to prevent moisture from entering.

3. Setting Up the Camera:

- Turn on the camera using the power button.
- Follow the onscreen instructions to set the date, time, and desired settings for photo and video capture.
- Test the camera to ensure it is functioning correctly before leaving it in the field.

4. Monitoring and Maintenance:

- Regularly check the camera to retrieve captured images and ensure it is functioning properly.

- Replace batteries as needed to maintain optimal performance.

Disposal Instructions

- Dispose of the camera and batteries in accordance with local electronic waste regulations.
- Do not dispose of batteries in regular household waste. Instead, use designated battery recycling facilities or programs.

Contact Information for Further Support

For any inquiries or issues regarding the BOG Heat Seeker 16MP Infrared Game Camera, please refer to the manufacturer's contact information included in the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BOG Heat Seeker 16MP Infrared Game Camera. Thank you for your attention to safety!
