# BOG Deathgrip Elevation Safety Instruction Guide

## Introduction

Thank you for choosing the BOG Deathgrip Elevation. This product is designed to provide secure weapon containment and allow for nearly limitless shooting adjustments, enhancing your hunting experience from your treestand. To ensure safe usage and compliance with EU regulations, please follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always inspect the BOG Deathgrip Elevation for any damages or defects before use.
- Ensure that the product is used only for its intended purpose as a rifle rest.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings and ensure that your shooting area is clear of obstacles and people.
- Always follow local laws and regulations regarding hunting and firearm usage.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded when attaching or detaching it from the Deathgrip Elevation.
- Use the Deathgrip Elevation only when securely mounted and stable.
- Avoid placing excessive weight on the product that exceeds its specified limits.
- Do not modify the Deathgrip Elevation in any way that may compromise its safety and functionality.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Select a stable and secure location for your treestand.
- Attach the BOG Deathgrip Elevation to the treestand using the provided mounting hardware.
- Ensure that all screws and bolts are tightened properly to maintain stability.
- Verify that the Deathgrip Elevation is securely mounted before placing any equipment on it.

### 2. Usage:

- Place your firearm securely in the Deathgrip Elevation, ensuring that it is held firmly in place.
- Adjust the height and angle of the Deathgrip Elevation to achieve the desired shooting position.
- Always keep your finger off the trigger until you are ready to shoot.
- After use, safely remove the firearm and store it in a secure location.

## Disposal Instructions

- Dispose of the BOG Deathgrip Elevation in accordance with local regulations regarding waste disposal.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the BOG Deathgrip Elevation, please refer to the manufacturer's website or customer support resources. It is essential to have access to assistance for safe product usage and inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safer and more enjoyable hunting experience with the BOG Deathgrip Elevation. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these guidelines.
