# Frankford Arsenal Universal Bullet Seating Die Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal Universal Bullet Seating Die. This product is designed to help you achieve precise bullet seating for your reloading needs. However, safety is paramount. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the die out of reach of children and vulnerable individuals.
- Inspect the die regularly for any damage or wear before each use.
- Use the die only for its intended purpose as specified in this manual.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when operating.
- Ensure your workspace is clean and free from distractions to avoid accidents.
- Do not exceed the recommended caliber range of .224 to .338 when using the die.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die may have sharp edges which can cause cuts.
  - Improper use may lead to misalignment or malfunction, resulting in injury.
- **Avoiding Hazards:**
  - Always handle the die with care to prevent cuts.
  - Follow all instructions for adjusting the seating depth to avoid misfires or damage to the bullet.
  - Do not use excessive force when seating bullets to prevent damage to the die or bullets.
- **Age Restrictions:**
  - This product is not intended for use by individuals under the age of 18. Ensure adult supervision when used by younger individuals.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted on a stable surface.
- Screw the Universal Bullet Seating Die into the reloading press using the standard 7/8 x 14 thread until it is tightly secured.
- Make sure the die is aligned properly with the press to ensure smooth operation.

### 2. Usage:

- Select the appropriate bullet caliber (.224 to .338) for your reloading project.
- Insert the bullet into the seating die and adjust the micrometer for the desired seating depth.
- Pull the handle of the reloading press smoothly and steadily to seat the bullet.
- Check the seating depth using a caliper to ensure it meets your specifications.
- Repeat the process for additional bullets, making microadjustments as necessary.

## Disposal Instructions

- Dispose of the Universal Bullet Seating Die responsibly in accordance with local regulations.
- Do not dispose of the die in household waste if it is damaged. Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Frankford Arsenal Universal Bullet Seating Die, please reach out to the designated EU contact point provided with your product packaging or visit the manufacturer's website for additional support and resources.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Frankford Arsenal Universal Bullet Seating Die. Thank you for prioritizing safety in your reloading activities.
