

Great Divide Tripod Head

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

The Great Divide® Tripod Head turns any standard tripod into a versatile tripod capable of pan, tilt, and quick-exchange Arca-Swiss accessories. The all-weather damping grease makes for ultrasmooth movements, while the micro adjustment technology allows the hunter to finely tune this glassing and shooting platform.

Safety Instruction Guide for BOG Great Divide Tripod Head

Introduction

Thank you for choosing the BOG Great Divide Tripod Head. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your tripod head. Please read this manual carefully before using the product.

General Safety Guidelines

- Always inspect the tripod head for any visible damage or wear before each use.
- Ensure that the tripod is set up on a stable and level surface to prevent tipping.
- Do not exceed the weight limit specified for the tripod head to avoid accidents.
- Keep the tripod head and its accessories out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose, which is to support cameras and related equipment.
- Avoid using the tripod head in extreme weather conditions that may compromise its functionality or safety.
- Regularly check for loose screws or parts and tighten them as necessary.

Specific Safety Precautions for Use

- **Weight Limit:** Always adhere to the maximum weight capacity specified by the manufacturer for the tripod head.
- **Secure Attachment:** Ensure that all equipment is securely attached to the tripod head before use.
- **Micro Adjustments:** Use caution when making micro adjustments to avoid sudden movements that could lead to accidents.
- **Damping Grease:** Be aware that the allweather damping grease may attract dust and debris; clean the tripod head regularly to maintain smooth operation.
- **Transporting:** When transporting the tripod head, ensure it is securely packed to prevent damage or accidental activation.

Instructions for Installation and Usage

1. Setup:

- Place the tripod head onto the tripod mount and ensure it is securely locked in place.
- Adjust the tripod legs to the desired height and ensure they are locked before use.

2. Attaching Equipment:

- Align the ArcaSwiss accessory with the tripod head and slide it into place.
- Securely tighten the locking mechanism to hold the accessory in position.

3. Adjusting Position:

- To pan or tilt, loosen the corresponding adjustment knobs, position the tripod head as needed, and then retighten the knobs to secure it.

4. QuickExchange:

- For quick exchanges of accessories, follow the manufacturer's instructions for detaching and reattaching the ArcaSwiss plates.

5. Maintenance:

- Regularly clean the tripod head with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials that may damage the surface.

Disposal Instructions

- Dispose of the tripod head and its components in accordance with local regulations.
- Do not dispose of the product in household waste; check for designated recycling points for electronic and mechanical components.
- Remove any batteries or electronic parts before disposal, if applicable, and recycle them according to local guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the BOG Great Divide Tripod Head, please refer to the manufacturer's website or customer service channels. Always keep this guide for reference and ensure that you are aware of any updates or recalls related to the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your BOG Great Divide Tripod Head. Thank you for your attention to safety!
