Caldwell EMAX® POWER CORDS Safety Instruction Guide

Introduction

Thank you for choosing Caldwell EMAX® POWER CORDS. These Bluetooth ear plugs provide highquality stereo sound while protecting your hearing during shooting activities. This safety instruction guide is designed to inform you about the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure your safety and the safe use of the Caldwell EMAX® POWER CORDS, please adhere to the following guidelines:

- Always read and understand the user manual before using the product.
- Ensure that the product is used only for its intended purpose.
- Regularly inspect the ear plugs for any signs of damage or wear.
- Avoid using the product in environments where it may be exposed to moisture or extreme temperatures.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

When using the Caldwell EMAX® POWER CORDS, please consider the following safety precautions:

- Ensure a proper fit in your ears to maximize noise reduction and comfort.
- Do not exceed the recommended volume level while listening to music to prevent hearing damage.
- Use the product only in environments where hearing protection is necessary, such as shooting ranges.
- If you experience any discomfort or irritation while using the ear plugs, discontinue use immediately.
- Be aware of your surroundings and do not use the ear plugs in situations where situational awareness is crucial.

Instructions for Installation and Usage

To ensure optimal performance and safety, please follow these instructions for installation and usage:

1. Charging the Ear Plugs

- Connect the provided charging cable to the ear plugs and a suitable power source.
- Allow the ear plugs to charge fully before first use.
- The indicator light will show when charging is complete.

2. Pairing with Mobile Devices

- Turn on the ear plugs by pressing the power button.
- Enable Bluetooth on your mobile device.
- Select "EMAX® POWER CORDS" from the list of available devices to pair.

3. Inserting the Ear Plugs

- Ensure your hands are clean before handling the ear plugs.
- Gently insert the ear plugs into your ears, ensuring a snug fit.
- Adjust the position if necessary to achieve comfort and effective noise reduction.

4. Adjusting Volume

- Use the volume controls on the ear plugs or your mobile device to adjust the sound level.
- Ensure that the volume is set to a safe level to protect your hearing.

5. Turning Off the Ear Plugs

- Press and hold the power button until the indicator light turns off to power down the ear plugs.

Disposal Instructions

When the Caldwell EMAX® POWER CORDS reach the end of their life cycle, please dispose of them responsibly:

- Do not dispose of the product in regular household waste.
- Follow local regulations for electronic waste disposal.
- Consider recycling the product if a recycling program is available in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or on the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell EMAX® POWER CORDS. Always prioritize your safety and the safety of others while using this product. Thank you for your attention to these guidelines.
