# BOG DeathGrip Elevation Bracket Safety Instruction Guide

## Introduction

Thank you for choosing the BOG DeathGrip Elevation Bracket. This product is designed to enhance your shooting experience while ensuring safety and stability. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Always inspect the BOG DeathGrip Elevation Bracket before each use to ensure it is in good condition.
- Use the bracket only for its intended purpose, as specified in the product instructions.
- Keep the bracket out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the bracket to avoid accidents.
- If you notice any defects or issues with the product, discontinue use immediately and report it to the manufacturer.

## Specific Safety Precautions for Use

- Ensure that the bracket is securely attached to the DeathGrip Elevation tree stand shooting rest before use.
- Do not exceed the weight limit specified by the manufacturer for the shooting rest.
- Avoid using the bracket in adverse weather conditions that may affect stability and safety.
- Always wear appropriate safety gear when using the shooting rest, including eye protection.
- Do not modify or alter the bracket in any way, as this may compromise its safety features.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have all components of the BOG DeathGrip Elevation Bracket.
- Align the bracket with the designated attachment points on the DeathGrip Elevation shooting rest.
- Securely fasten the bracket using the provided hardware, ensuring all screws are tightened according to the manufacturer's specifications.
- Doublecheck that the bracket is stable and securely attached before proceeding to use.

### 2. Usage:

- Position the DeathGrip Elevation shooting rest on a stable and level surface.
- Adjust the height and angle of the shooting rest as needed for your shooting position.
- Ensure that the firearm is safely and securely placed in the DeathGrip Elevation before taking aim.
- Always maintain control of the firearm while using the shooting rest.

## Disposal Instructions

- Dispose of the BOG DeathGrip Elevation Bracket in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, recycle materials where possible or follow specific disposal guidelines provided by local authorities.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the BOG DeathGrip Elevation Bracket, please contact the manufacturer directly. Ensure you have your product details ready for a more efficient response.

By following these safety instructions, you can enjoy a safe and effective shooting experience with the BOG DeathGrip Elevation Bracket. Always prioritize safety and stay informed about best practices in using shooting accessories. Thank you for your attention and safe shooting!
