

Pole Saw Lopper Attachment

[Gunsmith Tools & Supplies](#) > [Power Tools & Accessories](#) > [Carbide Slitting Saws](#)

The Hooyman Lopper Attachment is the perfect addition to your extendable tree saw. Smaller limbs can be harder to saw, but the lopper attachment makes short work of them while utilizing the extending pole of the tree saw. The lopper attachment attaches just like the saw does and comes with a long actuation rope; making it usable even with our largest, 16 ft pole saw.

Hooyman Pole Saw Lopper Attachment Safety Instructions

Introduction

Thank you for choosing the Hooyman Pole Saw Lopper Attachment. This product is designed to enhance your tree trimming experience by allowing you to efficiently cut smaller limbs. To ensure safe and effective use of the lopper attachment, please read this safety instruction guide carefully.

General Safety Guidelines

To ensure safe use of the Hooyman Pole Saw Lopper Attachment, please adhere to the following guidelines:

- Always read and understand the product manual before use.
- Ensure that all users are aware of the safety instructions and precautions.
- Inspect the lopper attachment for any damage before each use.
- Keep the work area clear of obstacles and bystanders, especially children and pets.
- Use the product only for its intended purpose as described in the manual.
- Wear appropriate personal protective equipment (PPE), including safety goggles, gloves, and sturdy footwear.
- Be cautious of overhead hazards, such as power lines or unstable branches.
- Store the lopper attachment in a secure location when not in use.

Specific Safety Precautions for Use

When using the Hooyman Pole Saw Lopper Attachment, please follow these specific safety precautions:

- Ensure the pole saw is securely locked before attaching the lopper.
- Use the lopper attachment only on branches that are within the specified cutting diameter of 1.5 inches.
- Do not attempt to cut branches that are larger than the recommended size.
- Keep hands and other body parts away from the cutting area while operating the lopper.
- Avoid using the lopper attachment in wet or slippery conditions.
- If using the actuation rope, ensure it is free of knots and tangles to avoid malfunction.
- Do not use the lopper attachment if you are fatigued or under the influence of alcohol or drugs.

Instructions for Installation and Usage

To ensure proper installation and usage of the Hooyman Pole Saw Lopper Attachment, follow these steps:

1. Installation:

- Ensure the pole saw is turned off and not in use.
- Locate the adapter on the lopper attachment.
- Slide the lopper attachment into the extension arm of the pole saw until it locks securely in place.
- Check that the attachment is firmly secured before proceeding.

2. Usage:

- Stand at a safe distance from the branch to be cut.
- Grasp the handle of the actuation rope firmly.
- Pull the rope to activate the scissor blade and cut the branch.
- Maintain control of the lopper attachment throughout the cutting process.
- After cutting, release the actuation rope and retract the blade carefully.

3. **PostUse:**

- After completing your trimming tasks, detach the lopper attachment from the pole saw.
- Clean the blade and attachment to remove any debris or sap.
- Store the lopper attachment in its carrying case for protection and easy transport.

Disposal Instructions

When disposing of the Hooyman Pole Saw Lopper Attachment, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for the proper disposal of metal and plastic materials.
- Recycle the product components whenever possible to minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding the Hooyman Pole Saw Lopper Attachment, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and efficient experience with your Hooyman Pole Saw Lopper Attachment. Always prioritize safety and proper usage to maximize the benefits of your product. Thank you for choosing Hooyman!
