Safety Instruction Guide for Caldwell EMAX® PRO BT Earmuff 24NRR

Introduction

Thank you for choosing the Caldwell EMAX® PRO BT Earmuff 24NRR. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to maximize your safety and enjoyment.

General Safety Guidelines

- Ensure that the earmuffs are used in accordance with the manufacturer's instructions.
- Regularly inspect the earmuffs for any signs of damage or wear before each use.
- Avoid using the earmuffs in environments where hearing protection is not required.
- Do not modify the earmuffs in any way, as this may compromise their effectiveness.
- Keep the earmuffs out of reach of children when not in use.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about safety issues.

Specific Safety Precautions for Use

- **Hearing Protection:** The EMAX® PRO BT earmuffs have a noise reduction rating (NRR) of 24dB. Always wear them when exposed to loud noises to prevent hearing damage.
- **Bluetooth Connectivity:** When using the Bluetooth feature, ensure that the earmuffs are paired with compatible devices. Follow the device's instructions for connectivity.
- **Volume Control:** Use the push button volume controls to adjust sound levels. Avoid setting the volume too high to prevent hearing damage.
- **Battery Safety:** The earmuffs can be powered by Caldwell's rechargeable lithiumion battery or AAA batteries. Use only the specified batteries to avoid damage.
- **Environmental Conditions:** Avoid exposing the earmuffs to extreme temperatures, moisture, or direct sunlight for extended periods.

Instructions for Installation and Usage

1. Charging the Earmuffs:

- If using the rechargeable lithiumion battery, connect the earmuffs to a suitable power source using the provided charging cable.
- Ensure the earmuffs are fully charged before first use for optimal performance.

2. Using the Bluetooth Feature:

- Turn on the earmuffs by pressing the power button.
- Activate Bluetooth on your mobile device and search for available devices.
- Select "Caldwell EMAX PRO BT" from the list to pair.
- Once connected, you can play music or take calls while wearing the earmuffs.

3. Adjusting Volume:

- Use the push button controls located on the earmuffs to increase or decrease the volume.
- Adjust the volume to a comfortable level without compromising hearing protection.

4. Wearing the Earmuffs:

- Place the earmuffs over your ears, ensuring a snug fit.
- Adjust the headband for comfort and stability.

5. Powering Off:

- To conserve battery life, turn off the earmuffs when not in use by pressing the power button.

Disposal Instructions

- Dispose of the earmuffs and batteries according to local regulations.
- Do not dispose of batteries in regular household waste.
- Check for recycling programs in your area that accept electronic waste.

Contact Information for Further Support

For inquiries related to safety, product performance, or any concerns, please refer to the manufacturer's website or contact the appropriate customer service channel. Ensure that you have the product information on hand for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell EMAX® PRO BT Earmuff 24NRR. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
