# Caldwell EMAX® PRO Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell EMAX® PRO electronic hearing protection. This guide provides essential safety information to ensure your safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Always use the EMAX® PRO in accordance with the instructions provided in this guide.
- Ensure that the product is suitable for your age and hearing protection needs.
- Regularly inspect the hearing protection for any signs of damage or wear.
- Keep the product out of reach of children when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not expose the EMAX® PRO to extreme temperatures or moisture.
- Avoid using the product while engaging in activities that require full hearing awareness, such as driving or operating heavy machinery.
- Ensure that the product fits securely and comfortably before use.
- Do not modify or alter the product in any way.
- If you experience discomfort or a decrease in hearing protection, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Fitting the EMAX® PRO

- Adjust the headband to fit comfortably on your head.
- Ensure the ear cups fully cover your ears to provide optimal noise reduction.

### 2. Powering the Device

- Insert AAA batteries into the battery compartment as indicated by the polarity markings.
- Ensure the battery compartment is securely closed.

### 3. Using Volume Controls

- Use the push button volume controls to adjust the sound to your preference.
- Test the volume levels in a safe environment before using in a noisy setting.

### 4. Maintenance

- Clean the ear cups with a soft, damp cloth regularly.
- Store the EMAX® PRO in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the EMAX® PRO according to local regulations for electronic waste.
- Remove batteries before disposal and dispose of them separately in accordance with local battery disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the Caldwell EMAX® PRO, please refer to the product packaging or the manufacturer's website for contact information.

Thank you for your attention to these safety instructions. Enjoy your Caldwell EMAX® PRO electronic hearing protection!
