

Youth E-MAX® PRO - Caldwell Youth E-MAX PRO Neon Green

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The newly designed Passive Hearing Protection come with a 30dB NRR (full-sized) and 24dB NRR (low-profile and youth size) noise cancelling rating for maximum hearing protection on and off the range. With a comfort padded headband, soft comfortable ear cushions, and uninterrupted cheek weld, these are the most comfortable passive earmuffs you'll ever wear at the range. They fold to fit compactly in your range bag and come in youth, adult, and low-profile designs for every age and preference.

Caldwell Youth EMAX® PRO Safety Instructions

Introduction

Thank you for choosing the Caldwell Youth EMAX® PRO Neon Green earmuffs. These earmuffs are designed to provide effective passive hearing protection for youth and adults alike. This safety instruction guide is intended to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read all instructions carefully before use.

General Safety Guidelines

- Always ensure that earmuffs are properly fitted before use.
- Inspect the earmuffs for any damage before each use. Do not use if damaged.
- Keep the earmuffs clean and free from debris to maintain optimal performance.
- Ensure that the earmuffs are used in environments where noise levels may exceed safe limits.
- Store earmuffs in a dry place away from direct sunlight when not in use.
- Follow all safety regulations applicable to your specific environment.

Specific Safety Precautions for Use

- These earmuffs provide a noise reduction rating (NRR) of 30dB for fullsized and 24dB for lowprofile and youth sizes.
- Ensure that the earmuffs do not interfere with your ability to hear important sounds, such as warnings or instructions from others.
- Do not modify or alter the earmuffs in any way, as this may reduce their effectiveness.
- Keep earmuffs out of reach of small children when not in use to prevent misuse or accidental damage.
- If you experience discomfort or pain while wearing the earmuffs, remove them immediately and consult a professional.

Instructions for Installation and Usage

1. Fitting the Earmuffs:

- Place the earmuffs over your ears, ensuring that the ear cushions fully cover the ears.
- Adjust the headband to fit snugly but comfortably on your head. Ensure there is no gap between the ear cushions and your ears.

2. Using the Earmuffs:

- Before engaging in any noisy activities, ensure that the earmuffs are securely in place.
- Do not remove the earmuffs until the noisy activity has completely stopped.
- If using in conjunction with other protective gear (e.g., safety glasses), ensure that all items fit comfortably together.

3. Cleaning and Maintenance:

- Wipe the earmuffs with a damp cloth to clean. Avoid using harsh chemicals or solvents.
- Allow the earmuffs to air dry completely before storing them.

Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations for electronic waste.
- Do not dispose of earmuffs in regular household waste.
- If the earmuffs are damaged beyond repair, ensure they are recycled or disposed of in a responsible

manner.

Contact Information for Further Support

For additional support or inquiries regarding safety, please reach out to the designated contact point provided with your product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety is our priority. Enjoy your Caldwell Youth EMAX® PRO earmuffs!
