# Caldwell Youth Passive Earmuff Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Youth Passive Earmuff. These earmuffs are designed to provide effective hearing protection for young users, boasting a noise reduction rating (NRR) of 24dB. This guide outlines important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of the product.

## General Safety Guidelines

To ensure the safety of users and compliance with the EU General Product Safety Regulation (GPSR), please adhere to the following guidelines:

- Ensure the earmuffs are used by children only under adult supervision.
- Regularly inspect the earmuffs for wear and tear. Do not use if damaged.
- Keep the earmuffs away from fire and extreme heat.
- Avoid using the earmuffs in environments with loud noises exceeding the earmuffs' rated protection level.

## Specific Safety Precautions for Use

When using the Caldwell Youth Passive Earmuff, please follow these safety precautions:

- Ensure the earmuffs fit snugly over the ears. Adjust the headband for comfort and effectiveness.
- Do not modify the earmuffs in any way, as this may reduce their protective capabilities.
- Use earmuffs in conjunction with other personal protective equipment (PPE) as required in specific environments.
- Avoid wearing the earmuffs for prolonged periods without breaks to prevent discomfort.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of your earmuffs:

### 1. Fitting the Earmuffs:

- Place the earmuffs over the ears ensuring a complete seal around the ear.
- Adjust the headband by sliding it up or down to achieve a secure and comfortable fit.

### 2. Using the Earmuffs:

- Wear the earmuffs in environments where noise levels may be harmful to hearing (e.g., shooting ranges, loud machinery).
- Ensure that the earmuffs are worn at all times in noisy environments.

### 3. Cleaning and Maintenance:

- Wipe the earmuffs with a soft, damp cloth to clean them.
- Allow the earmuffs to dry completely before storing.
- Store in a cool, dry place away from direct sunlight when not in use.

## **Disposal Instructions**

When it is time to dispose of the earmuffs, please follow these instructions:

- Do not dispose of earmuffs in regular household waste.
- Check local regulations for proper disposal methods of personal protective equipment.
- If the earmuffs are damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Caldwell Youth Passive Earmuff, please reach out to the designated EU contact point provided with your product packaging or user manual.

## **Conclusion**

By following these safety instructions, you can ensure the effective use of the Caldwell Youth Passive Earmuff. Remember to regularly check for any updates or recalls related to the product through the EU Safety Gate platform. Your safety and wellbeing are our top priority. Thank you for your attention to these important guidelines.
