# Caldwell Fire Control Front Rest Safety Instructions

## Introduction

Thank you for choosing the Caldwell Fire Control Front Rest. This product is designed with the Benchrest shooter in mind, featuring a robust cast iron base that ensures stability and support during your shooting sessions. To ensure safe and effective use of your Fire Control Front Rest, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Fire Control Front Rest is placed on a stable, level surface to prevent tipping.
- Do not exceed the recommended weight limit of the Front Rest (approximately 18lbs).
- Avoid placing any part of your body in front of or near the shooting area while using the Front Rest.
- Always be aware of your surroundings and ensure that the shooting area is clear of obstructions and bystanders.
- Use appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when shooting.

## Instructions for Installation and Usage

### 1. Setup:

- Unpack the Fire Control Front Rest and ensure all components are included.
- Place the cast iron base on a flat, stable surface.
- Adjust the height of the rest if applicable, ensuring it is secure before use.

### 2. Usage:

- Position your rifle securely on the Front Rest.
- Adjust the Front Rest as needed to achieve the desired shooting position.
- Ensure that the rifle is stable and that all safety precautions are observed before firing.

### 3. PostUse:

- After use, carefully remove the rifle from the Front Rest.
- Store the Front Rest in a safe and dry location, away from children and pets.

## Disposal Instructions

- When disposing of the Caldwell Fire Control Front Rest, follow local regulations regarding waste disposal.
- If the product is no longer usable, consider recycling the cast iron components where applicable.
- Do not dispose of the product in regular household waste if it can be recycled or if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries or support related to the Caldwell Fire Control Front Rest, please reach out to the manufacturer or the designated EU contact point.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell Fire Control Front Rest. Thank you for prioritizing safety!
