Caldwell Fire Control Front Rest Safety Instructions

Introduction

Thank you for choosing the Caldwell Fire Control Front Rest. This product is designed for maximum stability and convenience in shooting scenarios. Please read and follow these safety instructions carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the shooting area is clear of people and obstacles before use.
- Familiarize yourself with the product and its features prior to setup and use.
- Always wear appropriate safety gear, including eye and ear protection.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Regularly inspect the product for any signs of damage or wear before each use.

Specific Safety Precautions for Use

- Ensure that the front rest is placed on a stable and level surface to prevent tipping or slipping.
- Do not exceed the weight limit of the front rest; it is designed to support firearms safely.
- Avoid placing your hands near the firearm's muzzle when adjusting the front rest.
- Never use the front rest with a firearm that is not securely mounted or properly supported.
- Always ensure that the firearm is unloaded before setting up the front rest.

Instructions for Installation and Usage

1. Setup:

- Remove the front rest from its packaging and inspect for any damage.
- Place the front rest on a stable surface, ensuring that the dual steel tubes are securely connected to the cast aluminum base.
- Adjust the rear support to ensure it is aligned with the firearm.

2. Mounting the Firearm:

- Carefully place the firearm on the front rest, ensuring that it is stable and secure.
- Adjust the height and angle of the front rest as needed for optimal shooting position.

3. Transporting:

- When transporting the front rest, ensure that it is securely packed to prevent damage.
- Avoid exposing the product to extreme temperatures or moisture during transport.

4. Storage:

- Store the front rest in a dry place, away from direct sunlight and moisture.
- Ensure that it is out of reach of children and pets when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in regular household waste.

- Consider recycling materials whenever possible to reduce environmental impact.

Contact Information for Further Support

For safety inquiries or support regarding the Caldwell Fire Control Front Rest, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with your Caldwell Fire Control Front Rest. Thank you for your attention to safety!
