

The Steady Rest NXT

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

The Steady Rest NXT® give you a steady, elevation-adjustable platform for sighting in rifles, pistols and patterning shotguns. The three-piece design allows the shooter to use the rest in one or two-piece configurations, allowing it to adjust to any length long gun as well as handguns. The front and rear supports feature a non-marring material that is gentle on your firearm's finish yet is firm enough to provide a stable shooting surface. Overall length of rest is 26" with a 3" of vertical cradle adjustment.

Safety Instruction Guide for Caldwell The Steady Rest NXT

Introduction

Thank you for choosing the Caldwell The Steady Rest NXT. This product is designed to provide a stable and adjustable platform for sighting in rifles, pistols, and patterning shotguns. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Ensure that all users are familiar with the safe handling and operation of firearms.
- Always use the rest in a safe and controlled environment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects or issues, do not use the product and contact the manufacturer for assistance.
- Follow all local laws and regulations regarding firearms and shooting practices.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before placing it on the rest.
- Use the rest only on a stable and level surface to prevent tipping or falling.
- Do not exceed the weight limit of the rest as indicated in the product specifications.
- Avoid placing any objects on the rest other than the firearm for which it is intended.
- Maintain a safe distance from the muzzle of the firearm while adjusting or using the rest.
- Use eye and ear protection while shooting.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the Steady Rest NXT from its packaging.
- Ensure all components are present: front support, rear support, and adjustable cradle.

2. Setting Up the Rest

- Choose a stable, flat surface for setup.
- Assemble the threepiece design by connecting the front and rear supports as desired (onepiece or twopiece configuration).
- Adjust the height of the cradle by using the elevation adjustment feature to match the length of your firearm.

3. Placing the Firearm

- Ensure the firearm is unloaded.
- Gently place the firearm on the rest, ensuring it is securely supported by the front and rear supports.
- Make any necessary adjustments to ensure the firearm is stable and level.

4. Using the Rest

- Once the firearm is securely in place, you may proceed with sighting in or patterning.
- Always maintain control of the firearm and be aware of your surroundings.

5. **PostUse Care**

- After use, remove the firearm from the rest.
- Store the rest in a safe, dry place away from children and unauthorized users.

Disposal Instructions

- When the product reaches the end of its life, or if it is damaged beyond repair, dispose of it in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.

Contact Information for Further Support

For inquiries regarding safety, product performance, or to report any issues, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the Caldwell The Steady Rest NXT. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
