Caldwell Tack Driver X Mini Bag Safety Instructions

Introduction

Thank you for choosing the Caldwell Tack Driver X Mini Bag. This product is designed to enhance your shooting experience, whether you are participating in PRS Matches, sighting in your rifle, or hunting. To ensure your safety and the longevity of your product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure the product is used in a safe environment, free from hazards.
- Inspect the product for any signs of damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the shooting area is clear of people and obstacles before using the bag.
- Do not use the bag if it shows signs of wear or damage.
- Avoid using the bag in wet conditions, as moisture can affect its stability and performance.
- Be aware of your surroundings and ensure proper shooting practices are followed at all times.
- Use appropriate shooting gear and protective equipment when using the bag.

Instructions for Installation and Usage

1. Setting Up the Bag:

- Place the large front shooting/barricade bag on a stable surface.
- Position the rear bag behind the rifle for added support.
- Use the prop bag to stabilize the front or rear of the rifle as needed.

2. Using the Bag:

- Ensure that the bag is filled properly with the plastic pellet filling for optimal stability.
- Adjust the position of the bags according to your shooting stance and comfort level.
- Always maintain proper firearm safety practices while using the bag.

3. Storage:

- Store the bags in a dry place when not in use.
- Avoid placing heavy objects on top of the bags to maintain their shape.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not incinerate the product, as this may release harmful substances.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent environmental harm.

Contact Information for Further Support
