Caldwell® is known for producing rock solid Hunting Rests and the DeadShot® FieldPod MAX is no exception. This highly portable Hunting Rest allows you to bring the same stability as the Original DeadShot FieldPod along with you on the hunt. Its innovative design and versatility make it perfect for a variety of hunting applications. Get ideal position and stability for your shotgun, rifle or crossbow while shooting from a chair inside a ground blind. Take advantage of the portable and stable design on western hunts that frequently offer long range shot opportunities. Independently adjustable legs allow you to set up on rough terrain or a hillside and still maintain a level shooting platform. Length and pivot point adjustments ensure a perfect fit and balance for any weapon. Cast aluminum hub provides tension adjustable rotation and tilting for fast and stable target acquisition. Carry strap included.

Caldwell DeadShot FieldPod MAX Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell DeadShot FieldPod MAX. This product is designed to provide stability and support for your hunting activities. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used solely for its intended purpose as a hunting rest.
- Always inspect the FieldPod MAX before each use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Be aware of your surroundings and ensure that you are in a safe location before using the FieldPod MAX.
- Always follow local laws and regulations regarding hunting and firearm safety.

Specific Safety Precautions for Use

- **Stability:**
 - Ensure that the legs of the FieldPod MAX are fully extended and locked in place before use.
 - Avoid using the product on unstable or slippery surfaces.
- **Weapon Safety:**
 - Ensure that your weapon is unloaded when setting up the FieldPod MAX.
 - Always treat your weapon as if it is loaded, following standard firearm safety practices.
- **Shooting Position:**
 - Use the FieldPod MAX from a seated position to maximize stability.
 - Ensure that you have a clear line of sight and that there are no obstructions in the shooting area.
- **Weather Conditions:**
 - Avoid using the FieldPod MAX in severe weather conditions, such as high winds or heavy rain, which may affect stability.

Instructions for Installation and Usage

1. **Setup:**
 - Remove the FieldPod MAX from its carrying case.
 - Extend the legs fully and adjust them to ensure stability on uneven terrain.
 - Lock the legs in place to prevent collapsing during use.
2. **Adjusting for Weapon:**
 - Adjust the length and pivot point to fit your weapon securely.
 - Ensure that the weapon is balanced and stable on the FieldPod MAX before taking aim.
3. **Using the Carry Strap:**

- Use the included carry strap to transport the FieldPod MAX easily to your hunting location.
- Ensure that the strap is securely fastened to avoid accidental drops.

4. PostUse Care:

- After use, clean the FieldPod MAX to remove dirt and debris.
- Store the product in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the FieldPod MAX in accordance with local regulations regarding waste disposal.
- If the product is damaged beyond repair, consider recycling materials where possible to minimize environmental impact.
